# Eighty-One: Expressions of a Year

Dear Mrs. Fielding  
I sure am going  
to miss the cooking  
class, especially  
the food. 😊  
I hope you have  
a nice summer  
vacation. Terri Atkins

Dear Sweet Sister Fielding  
you are one terrific lady  
and I don't think I'll  
ever forget you. I'll  
the future bring you  
nothing but happiness  
for I will always  
love you.  
Love  
Terri  
Golston  
"Gung"

Dear Mrs. Fielding,  
 you're a very  
 nice and caring  
 person. I have for  
 all the patience and  
 help you've given  
 me. I hope you have  
 good luck always.

KAYE BOYLE

To Mrs. Fielding,  
 well it's time for  
 me to get into the (par. 5)  
 real world + I just  
 want you to know that  
 I have enjoyed your

Mrs. Fielding  
 of all the teachers  
 I've had, you have  
 been the dearest most  
 thoughtful I've ever had.  
 no person interested

## Jordan's Expressions of '81: Faces Show Feelings

Happiness, anger, disappointment, joy — we have expressed all of these and more in '80 — '81, and our faces showed it. Whether contemplating action on the volleyball court, psyching ourselves up for a football game, chowing down at lunch, cheering for our teams, or engaging in any other of our many activities, we let everyone know how we felt through our expressions. They became the symbols of this unique year at Jordan.

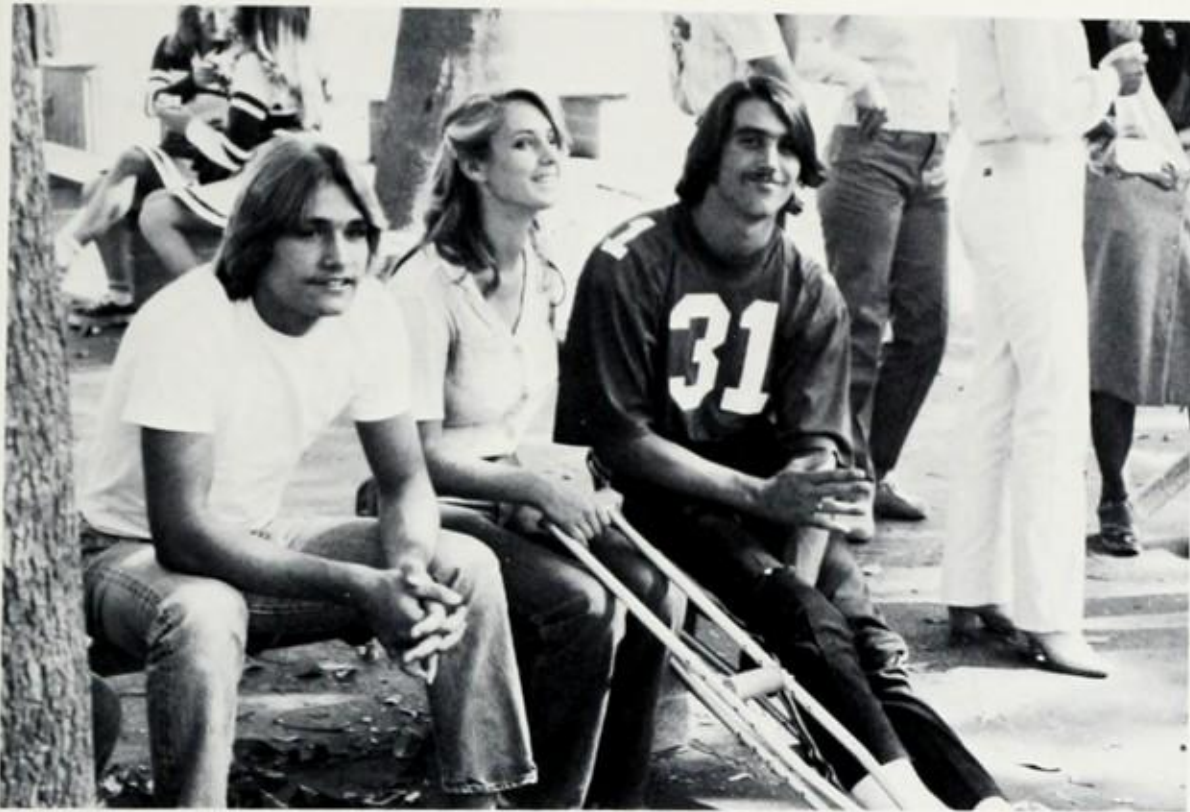

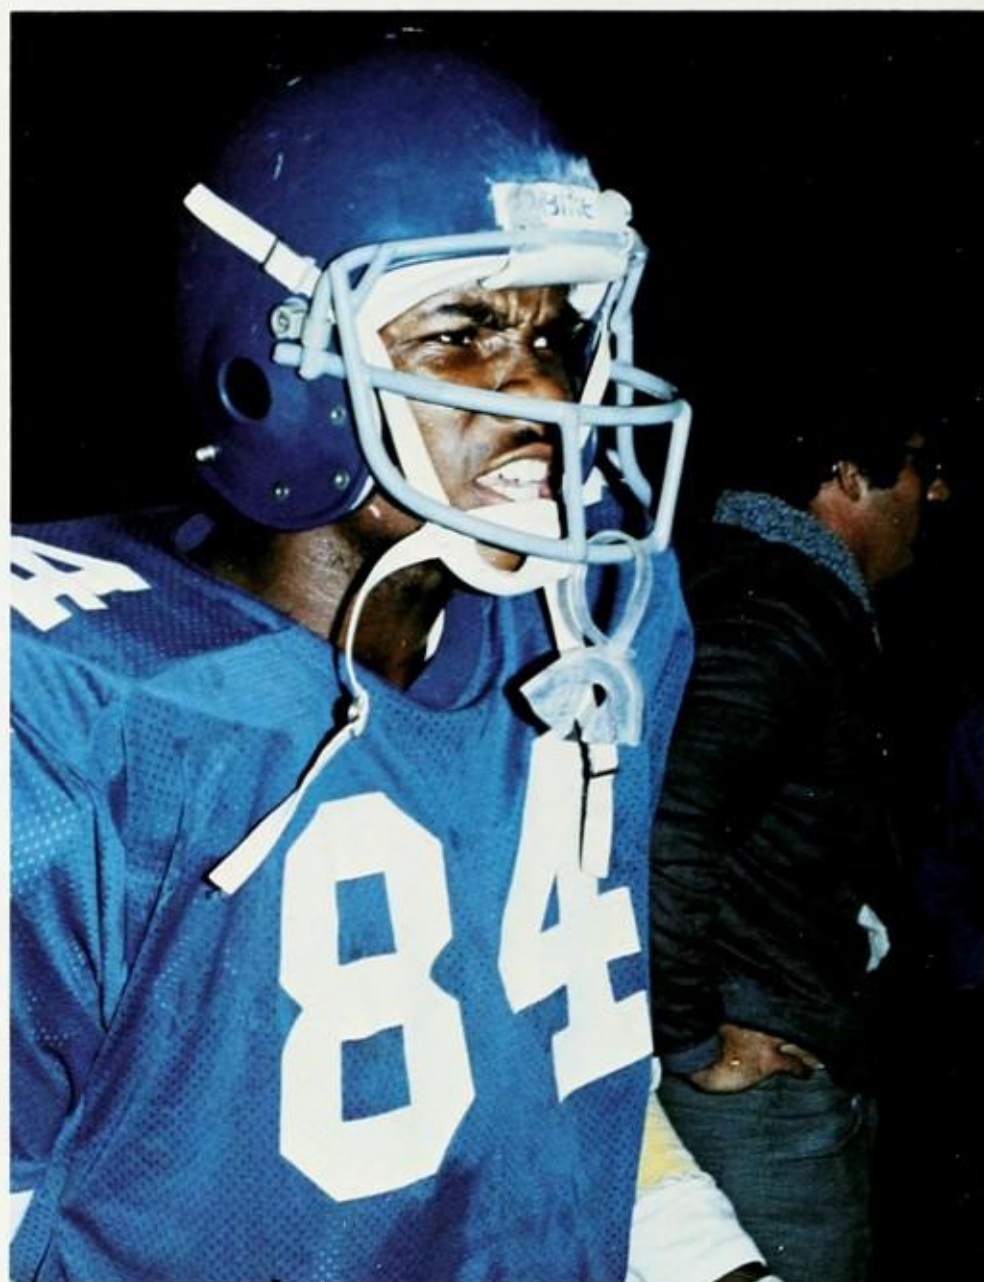

The camera captured us in contemplation, in serious chats, and just foolin' around as we lived through the action and emotions of another special school year. Cline Square was a center of activity as we gathered to relax or rally and share the days of '80 — '81.

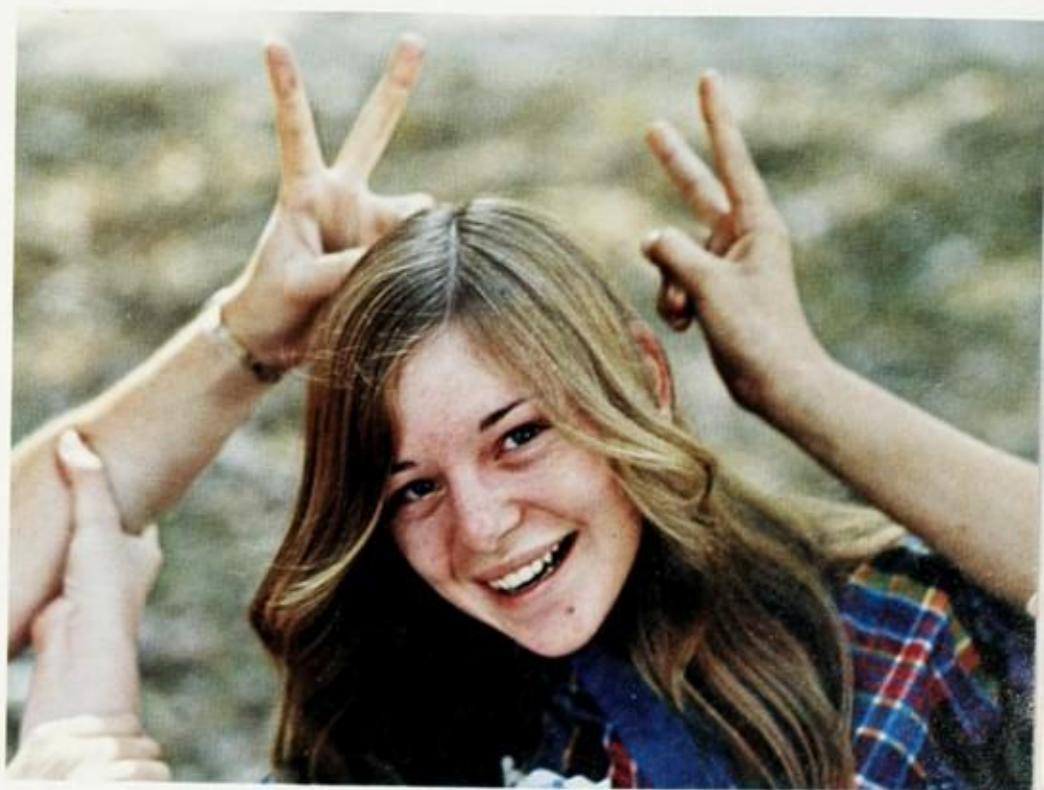

Can we ever forget these days that made us gaze in wonder, grimace in frustration, and peer anxiously in concern? Never — no more than we will forget those moments when we struck poses for our roving photographers. The highs, lows, and in-betweens of our years were reflected in our pictures.

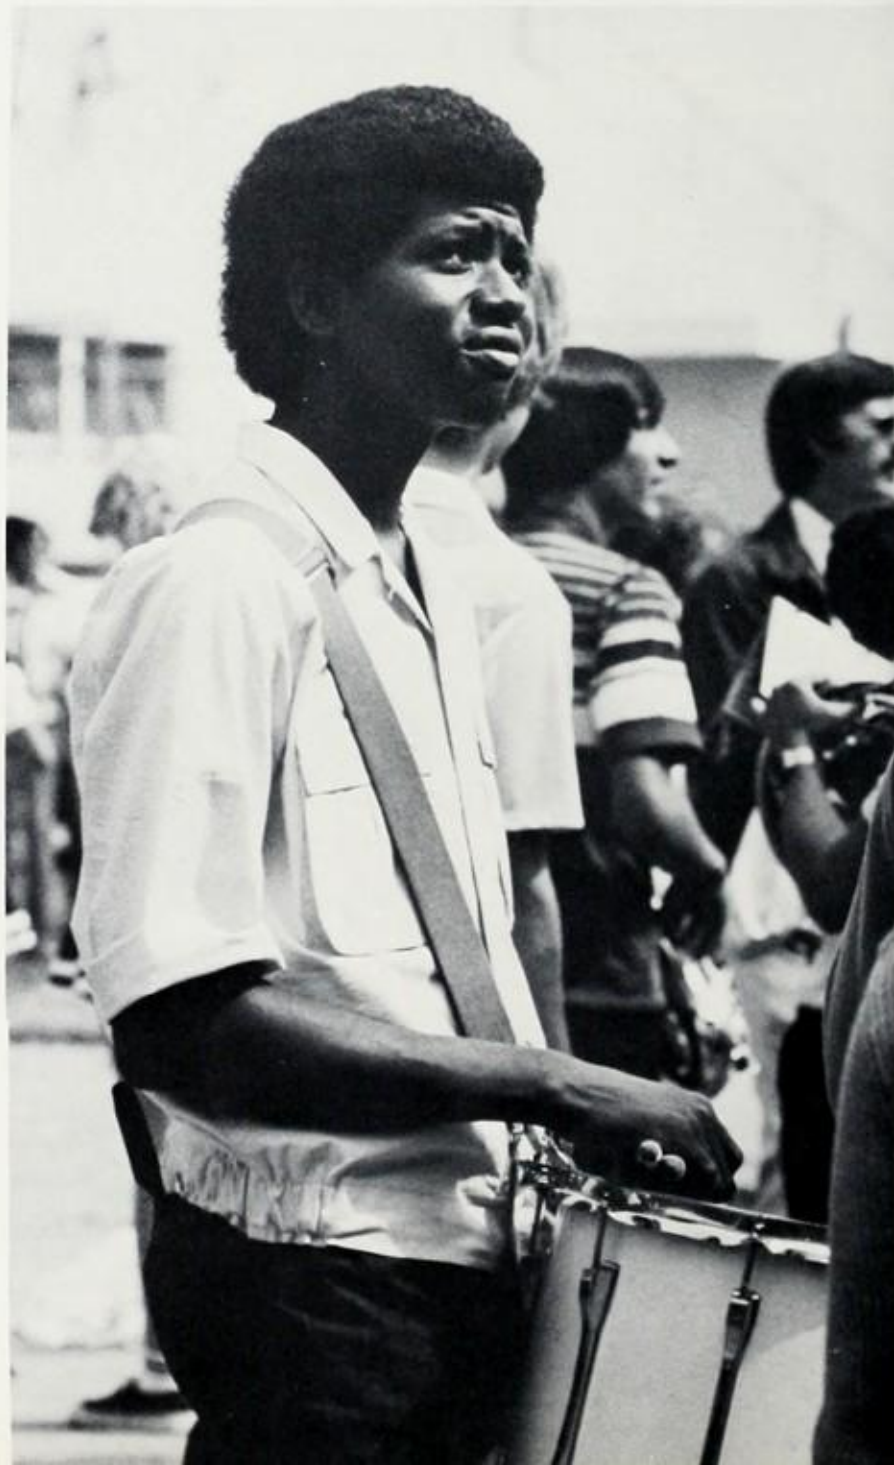

## We Express Ourselves in . . .

Life on campus at Jordan means different things to different people. It may mean yelling your tonsils out in support of the Panther teams. It may mean cotton candy and friends at Homecoming or wondering why you're standing there waiting to play another drum roll. But, most important, it means for all of us a chance to make a choice about how, where, and when we will express our talents and our feelings.

# Campus Life

## Varsity Yell Expresses Enthusiasm For Jordan's Athletic Teams

Jordan's '80 — '81 varsity yell squad promoted school spirit and unity, the key ingredient to a successful yell group. The squad attended cheerleading camp in Santa Barbara. There they learned a great deal about how to express their enthusiasm and support for the school's teams. Members worked hard cheering for the football and basketball teams and also showed much school pride at Jordan's rallies and assemblies.

Members of varsity yell pictured here are: Theresa Runswick, Alisha Wright, Becky Weill, Rachel Gallardo, Squad Leader Gail Falkenburg, Co-Captain Tamara Thomas, Charlotte Ruben, Co-Captain Shelly Null, and Lonie Hegedus.

## J. V. Yell Stirs Pride for Juniors, Sophs

The J. V. Yell squad of '80 — '81 was a great success and enjoyed cheering together for the J. V. and sophomore teams. Most members of the squad went to the USA camp and learned many new cheers and ideas. At camp they also earned three superior ribbons and one exceptional, along with having a wonderful time.

Squad members pictured individually here are Felicia Thompson, Leader April Anderson, Kim Cash, Julie Carrier, and Gretchen Welch. Not shown is Stephanie McKinnon.

## Mascots Help Yell, Pepsters Boost Spirit

1980-81 Jordan mascots Joe LeDoux and Denise Williams gave the Pepsters and Yell squads a hand in boosting school spirit. They demonstrated their pride and uniqueness in the many skits they prepared and performed this year. Without them, our Jordan cheers would have been incomplete.

# Pepsters Just Can't Hide That Ol' Panther Pride

This year's proud pepsters, under the direction of Ms. Lindahl, brought excitement and lots of spirit to our pep rallies, assemblies and games. They performed in many successful halftime shows and parades.

A few of the girls attended U.S.A. summer cheerleading camp where they learned several new routines and won various ribbons.

The vivacious girls put in many long hard hours of practice every day during the summer to perfect their routines and cheers. They have proven themselves through many fine performances.

Flag girls striking a pose are Front: Chris Baeten, Lynn McPherson, Jean Wolfe; Back: Paula Desmond, Terri Owens and Head Flag Girl Cyndi Monroe.

At left pepsters salute Hollywood at Homecoming. Song girls seen at mid-page left are Front: Lori Worth, Lisa Vinson, Karen Mowry; Back: Head Song Girl Mary Powers, Shannon Banks, and Krista Jandelli. Below left, pepster alumnae join '80 — '81 members in Homecoming reunion.

# Food, Fun Occupy Us at Lunch, Rallies

As always lunch and rallies were favorite times of the day for Jordanites. Our faces were sometimes funny and even grotesque as we opened wide for that last mouthful of calories to keep us going. Many students were also heard to express themselves somewhat vehemently on the subject of this year's increased lunch prices. But that didn't stop our fun in joining in on the rallies led by Jordan pep groups urging us on to show that Panther spirit.

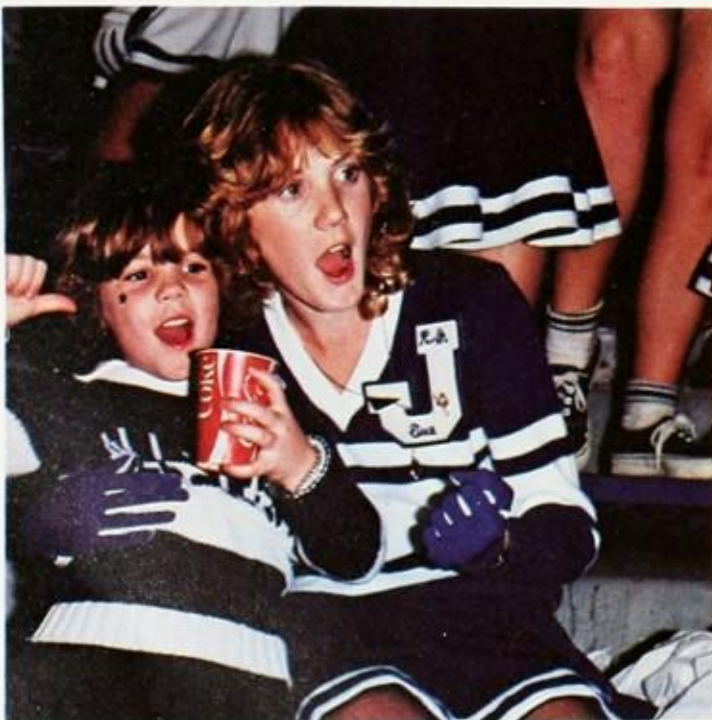

# Pantherettes Show Spirit, Excitement, Pride

Spirit, enthusiasm, and pride were all expressed by the 1980-81 Pantherettes. The girls practiced weekly during the summer and throughout the school year. They helped create spirit and unity by supporting minor sports events and selling spirit buttons as well as performing at rallies and football games.

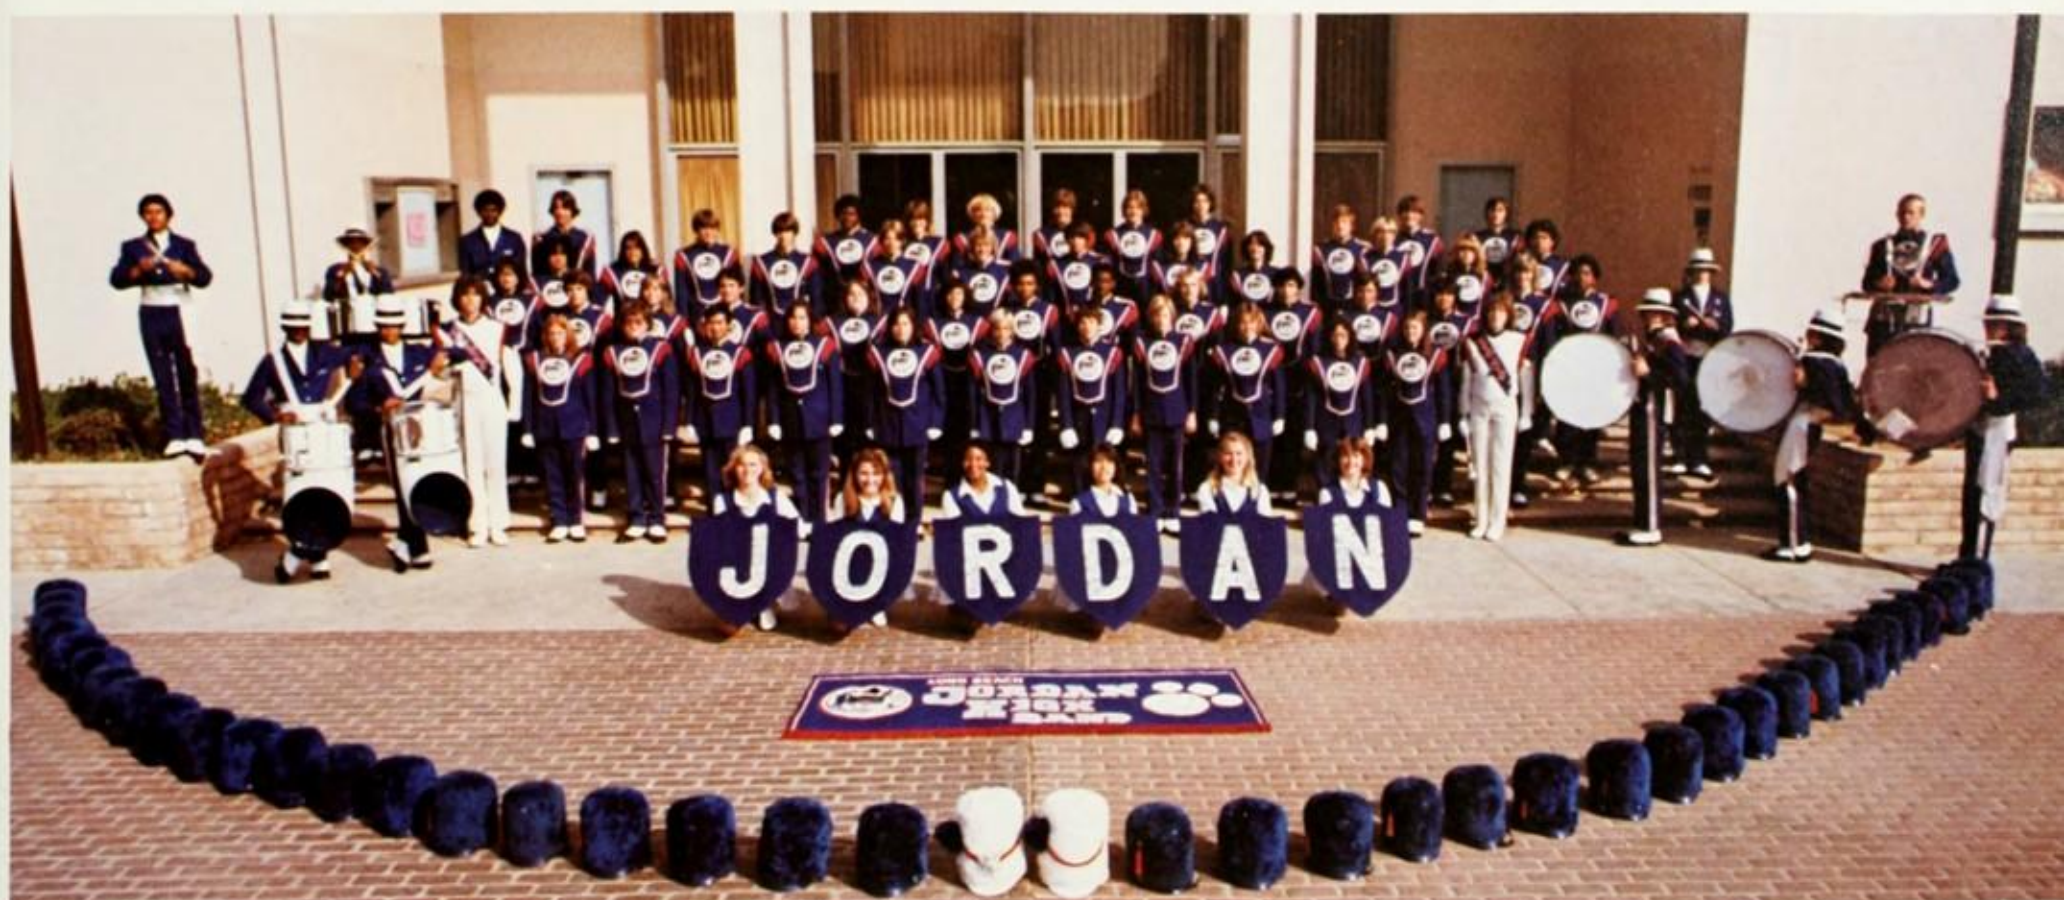

Captain Kathy Slattery and Co-Captain Karen Cather were responsible for making up competition routines as well as keeping discipline. Dance Captains Noreena Beckenbach and Jeannie Arndt made up and taught fight songs, halftime routines, and dances for rallies. The captains and some of the other girls also attended a camp in San Diego at Point Loma college where they gained various new ideas.

## Students Enjoy Hoopla of Homecoming 1980

Homecoming events started at 6:00 A.M. with many enthusiastic and dedicated Panthers helping to set up their club booths in Cline Square. Students attended classes until 12:30 p.m., at which time the booths were opened and alumni were allowed on campus. At 2 p.m. a pep rally was held in the stadium where all alumni and the 1980-81 pep groups performed. Also at this time awards for best costume and booth were announced. This year's booth winner was the Jordan Band. Harold "Charlie Chaplin" Roach received first place for his costume.

# We Express Ourselves as the . . .

Seniors at last — looking down on lowly juniors and sophomores . . . doing everything for the last time as Jordan students . . . wondering where we'll be next year . . . imagining what everyone will look like at our ten-year reunion: these and so much more made up the year of '81. The senior section of the *Trailblazer* has tried to capture those moments and preserve them forever.

## We Express Ourselves in . . .

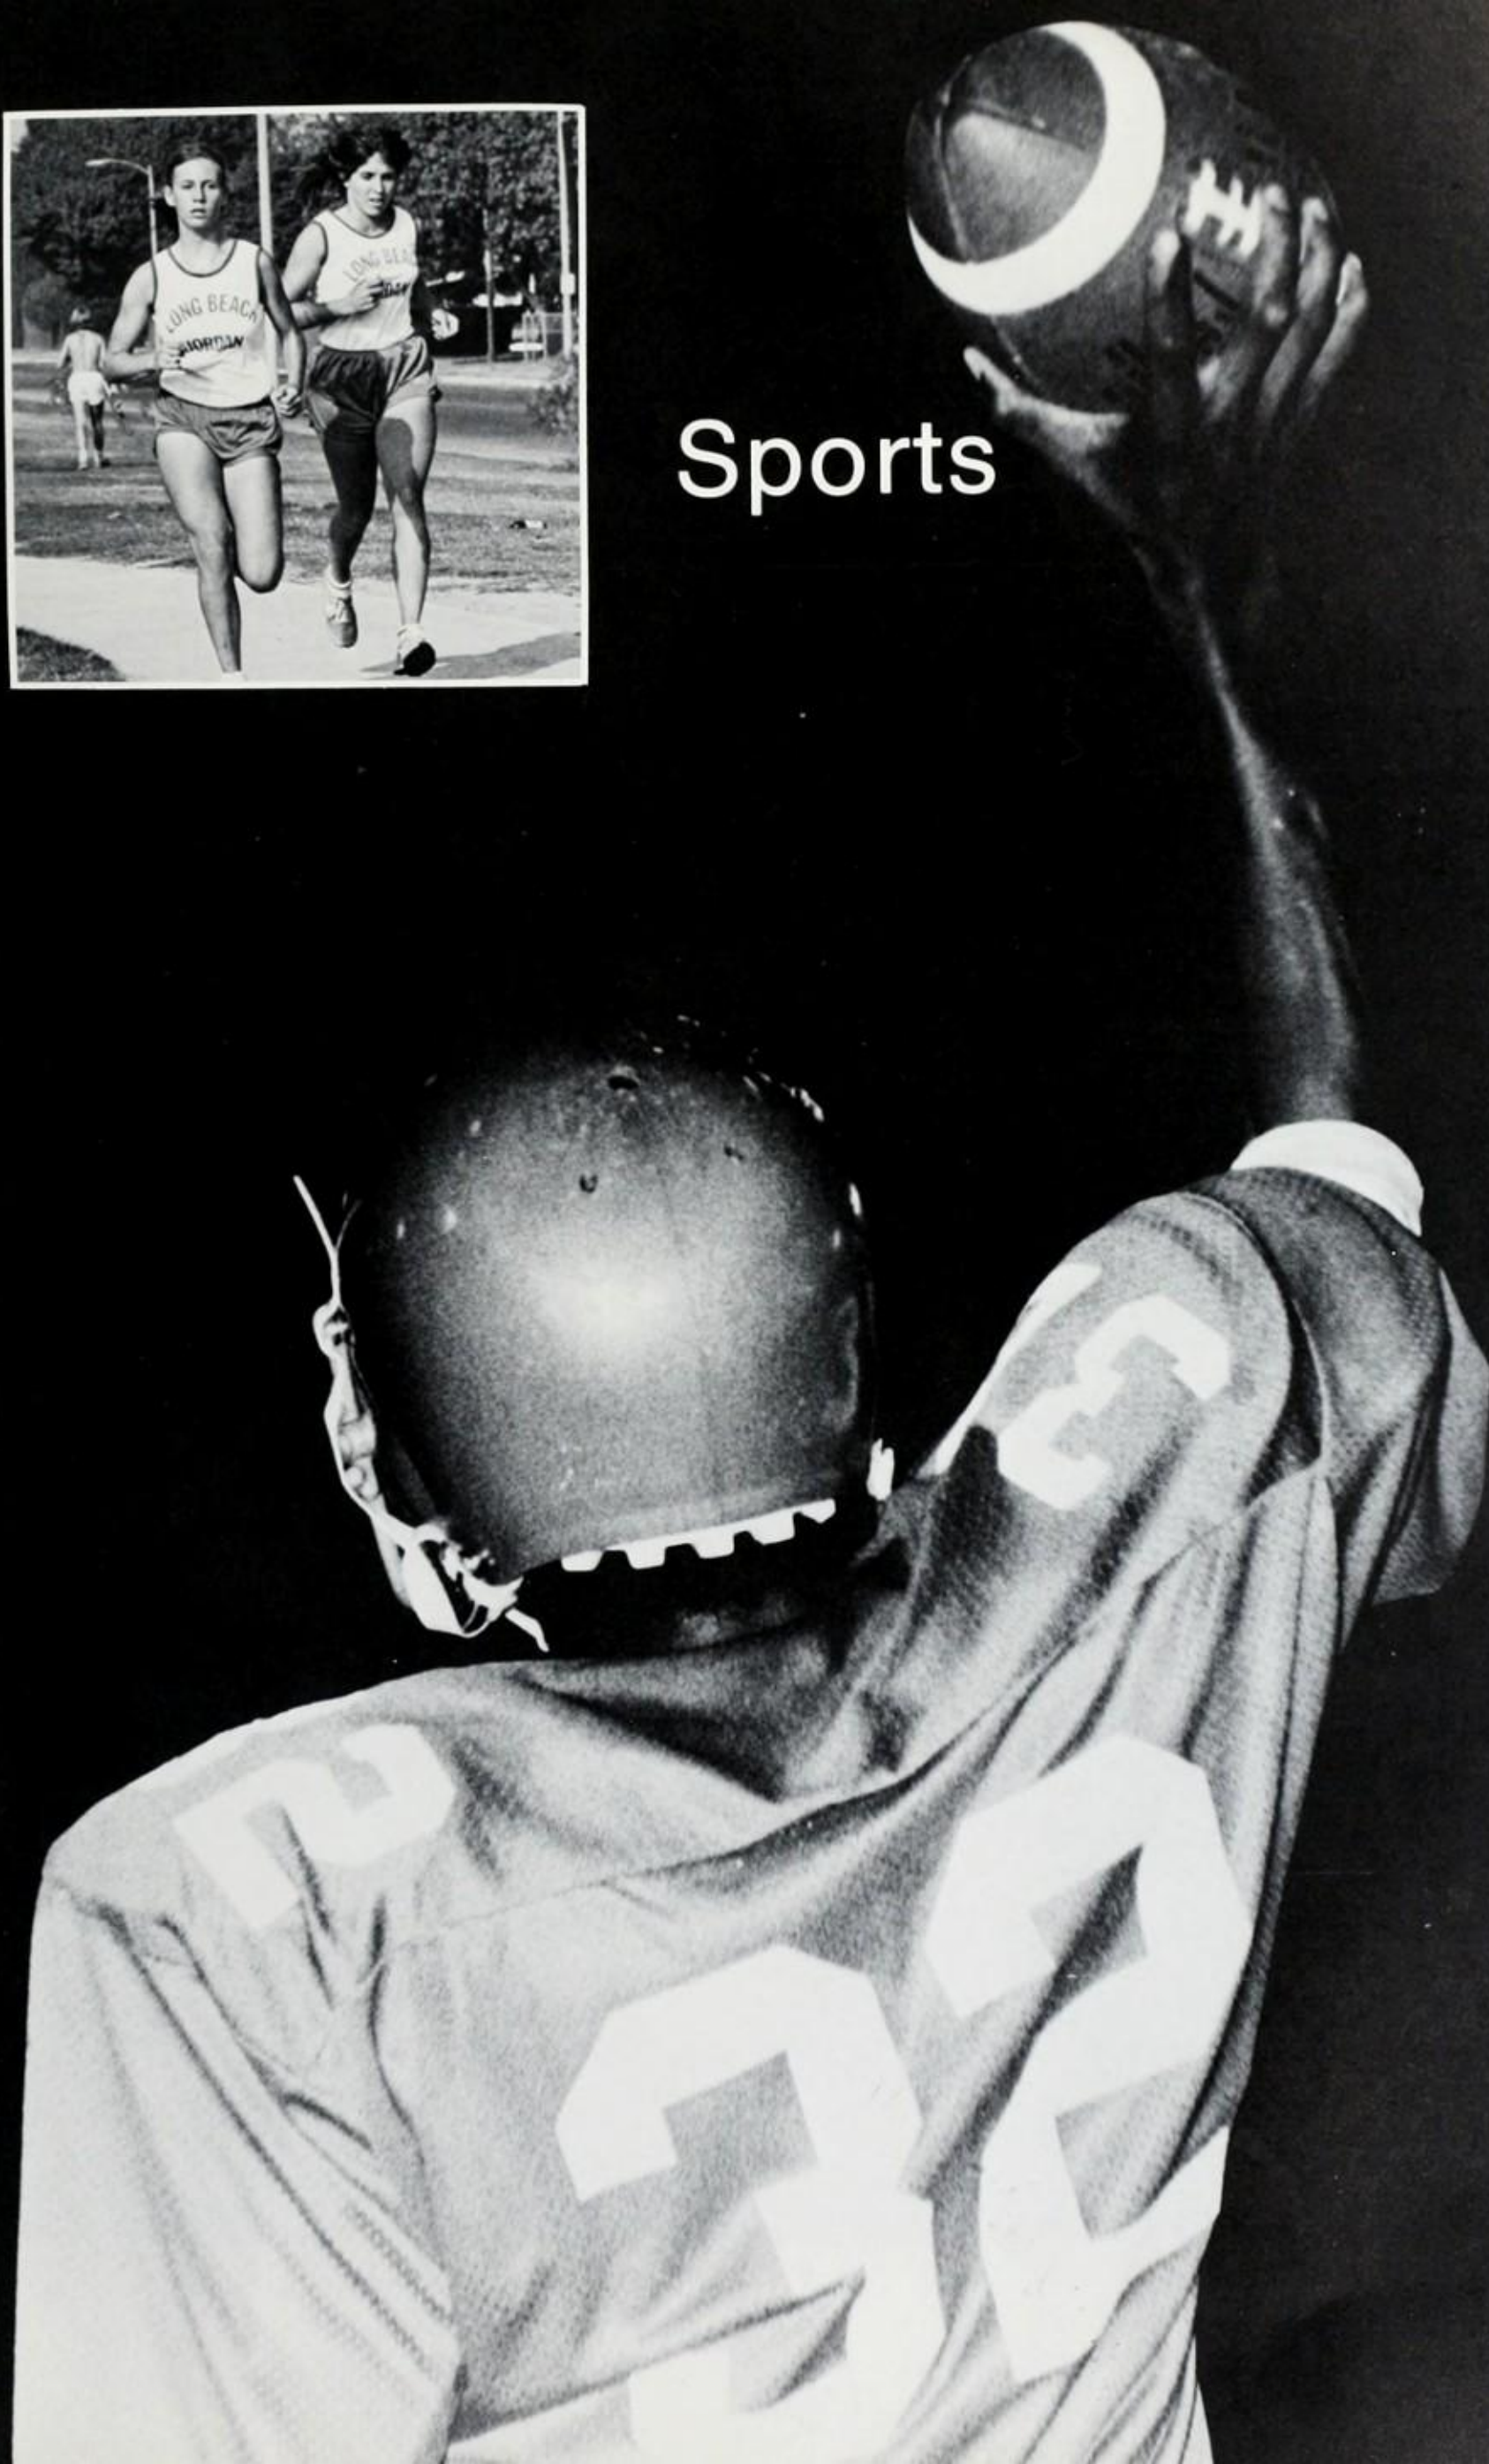

In sports we can express our ambitions, our competitiveness, and our pleasure in physical action. We gain pride in a job well done. And sometimes we suffer "the agony of defeat" as well. 1980-81 had its share of both, as we see when we look back over the expressions we showed during this special year.

# Injuries Plague Varsity In Difficult Season

Injuries to players, including starting quarterback Michael Greer, plagued the varsity Panthers this year as they completed a season that featured only one victory. Excited by an opening win against Santiago, Jordan fans saw their hopes go unfulfilled as the team emerged from the Moore League season with a 0-5 record. Nonetheless, there were exciting moments. For instance, who'll forget Kenny Williams' return of the kick-off for a touchdown at the opening of the second half of the Homecoming game?

# J.V.'s Tie for Second in Moore League Play

Even though the J.V.'s lost some fine players like Elijah Fitzhugh and Mark Gershen because of injuries, the team continued to improve. Most valuable player Julius Wright sparked the offense with fine running as well as receiving. Steve Ramirez, continually the leading tackler, led the defense with superb play. By league play quarterback Paul Olin stepped in and combined his excellent throwing arm with Wright's nimble hands to pace the team to a successful season ending in a tie for second place in the Moore League competition.

According to Coach Jim Eden, the team's biggest win was the 7-6 defeat of Poly here at Jordan, putting the Panthers into the championship. He also noted as a high point the 16-0 win over Lakewood when most valuable player Anthony Thompson gained 227 yards. Best defensive back was Mike Aloni, while Andre Frazier was the outstanding defensive lineman. Manuel Calderon and Ben Figoura shared honors as best offensive backs, and Bret Frazier was best offensive lineman.

## Varsity Water Polo Lacks Swim Experiences

The 1980 varsity water polo team ended its season in fifth place with a 2-12 record. Coach Frank Kanarek characterized the team as a "junior ball-club." "The players had the ability to score," he said, "but they needed more swimming ability to play a better defense." He projected that the team will show improvement next year. The coach named Anthony Scotty as most valuable player and Truong Long as most improved.

## Sophs Determined But Overmatched

Determined and enthusiastic but overmatched, this year's sophomore water polo team went winless in league competition. Coach Kanarek stated that he felt the team members all had sparks of brilliance and showed a desire to improve. "They did a presentable job considering that they had no experience at all," he said. They played up to and beyond their potential. Outstanding sophomore was Randy Wooten.

Varsity, Row 1: Diane Moore, Deann Williams, Susan Fletcher, Shelley Mink; Row 2: Denise Williams, Princetta Gubany, Teresa Nemeth, Becky Landis, Julie Myers.

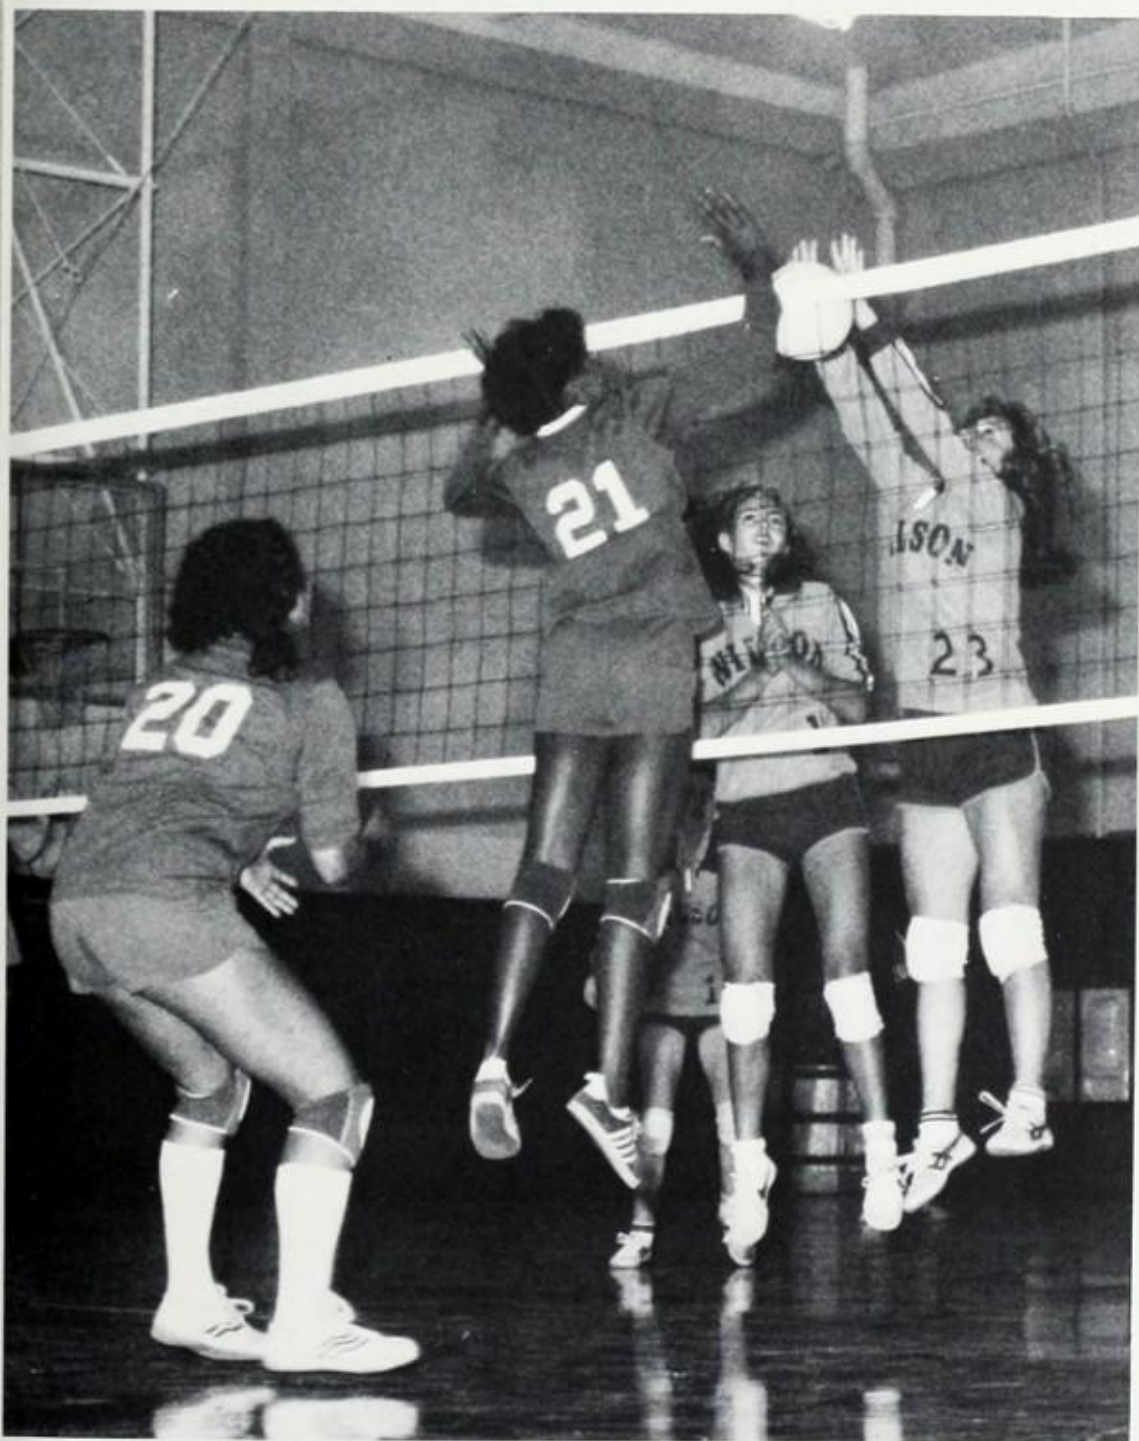

## Varsity Spikers Have 5-5 Season

Susan Fletcher and Denise Williams led the 1980-81 varsity volleyball team to a 5-5 win-loss record. Despite these statistics, Coach Olive Boot felt that the team was one of the best in the league. "They were all very competitive and worked together," she said, "and I expect the team to improve next year since five of the players are returning, including two promising sophomores." On the J.V. squad, Sherry Moore received the Coach's Award, while Tammy Patton was chosen as most improved.

J.V., Row 1: Michelle Truby, Teresa Daniels, Liza Gurule, Tammy Patton; Row 2: Chris Baten, Tracy Gerdner, Arzell Anderson, Sherry Moore, Renae Tyner.

# Leo Hernandez Leads Varsity Cross-Country

Senior Leo Hernandez led the 1980-81 varsity men's cross-country team. Although Jordan came in fifth in league competition, Coach Hartzell Alpizar felt that the team was a strong one in the sense that it was a very young group. Coach Alpizar expects improvement next year since all but two of the varsity runners will be returning. In addition to Hernandez as MVP, the coach named Chuck Franks as most inspirational and Reggie Bernard as most improved.

Front Row: Leo Hernandez, Chuck Franks; Row 2: Robert Mendoza, Reggie Bernard, Erik Bonilla, Michael Davis, Edgardo C. Vilas, Coach Alpizar.

## Sophomores Head Junior Varsity

Determination and endurance were shown by the 1980-81 junior varsity team, according to their coach, who noted that two sophomores led the cross-country runners. The team came in fifth in Moore League, but Coach Alpizar commented that, like the varsity, this was a very young group with good prospects for improvement next year. Top team members were Dale Yeggie and Jim Tomlinson.

Front Row: Craig Harbic, Mario Martinez, Dale Yeggie, James Tomlinson, Rick Curtice; Row 2: Harold Andoetoe, JoJo Ortega, Howard Dorsey, Dan Andoetoe, Oscar Blabagno, Bill Bauser, Steve Barnes, Miguel Gill.

## Julie Frew Leads Women Runners

The Jordan Girls' cross-country team completed the season in fourth place in the league. At the annual Cross-Country Banquet Julie Frew received the most valuable runner award, Clara Gaskill was named most inspirational runner, and Suzzane Dominguez won honors as most improved runner. The team was a very young team, and since there were two sophomores in the top five, things look promising for next year.

Seen at right are Front Row: Clara Gaskill, Susana Dmominguez Row 2: Lucinda Kennedy, Desiree Anderson, Kim Insley, Terri Mabry. On the opposite page is Coach Barry Welch.

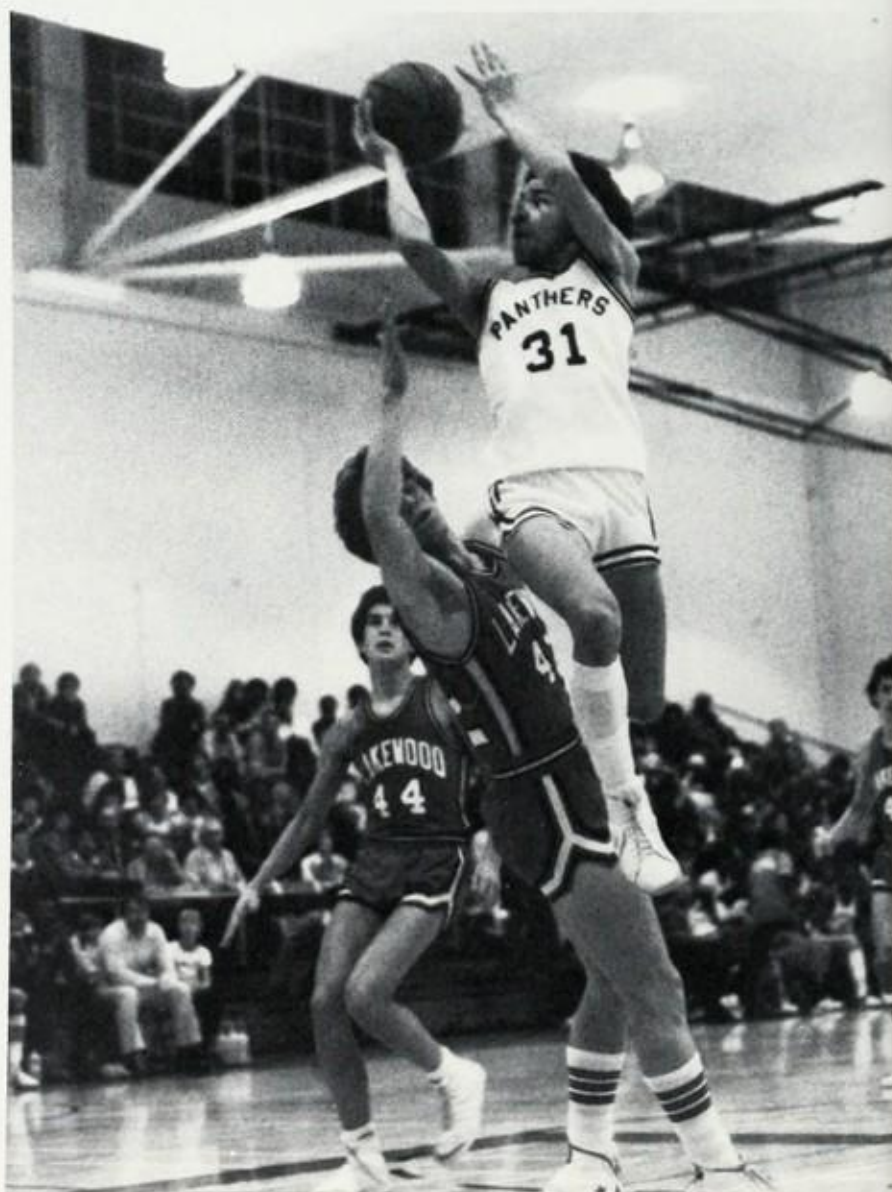

# “Young” Hoopsters Face Tough Varsity Season

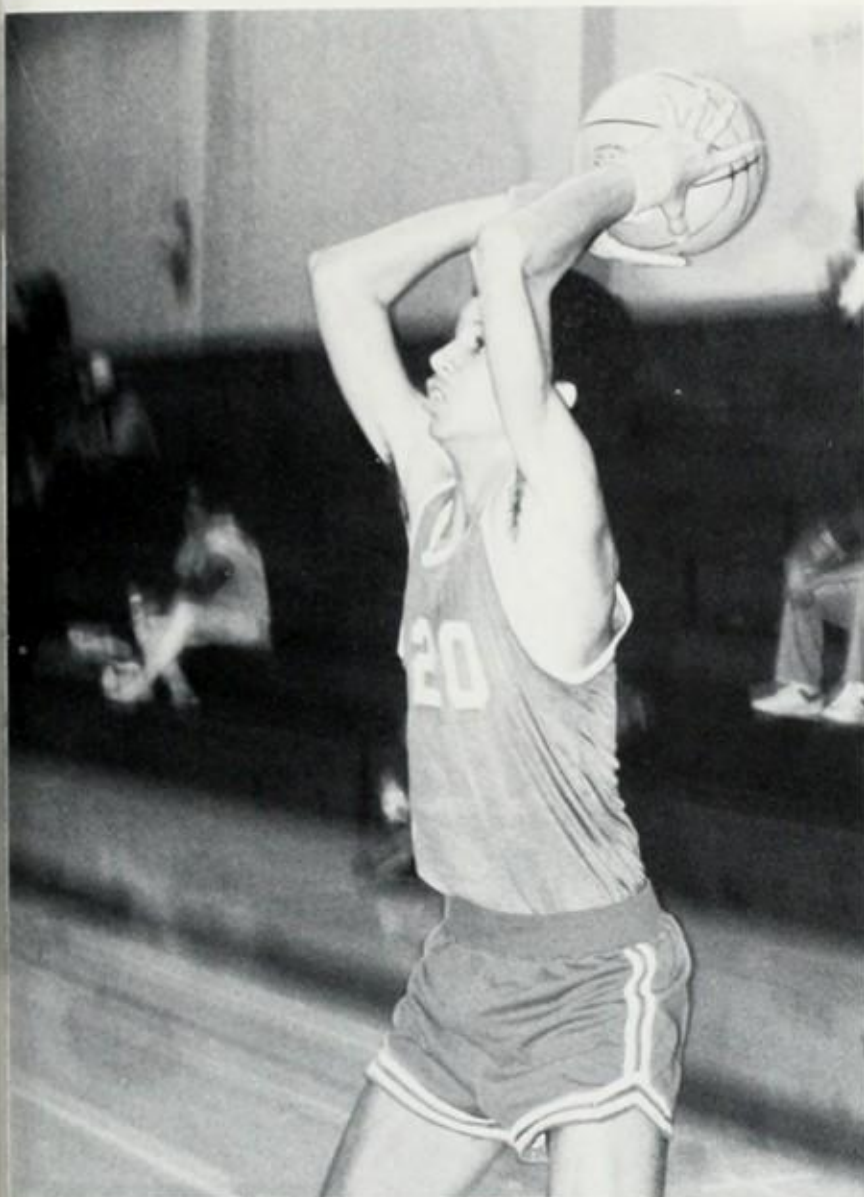

Described by Coach Bob Cook as a “young” team that showed improvement throughout the season, the Panther varsity basketball team had a tough season, winning one and losing nineteen games. Sophomores Andy Coffman, Lemuel Neal, and David Brandon moved right into the varsity level, with Coffman winning the coach’s award for most consistent play. Ed Dorham was this year’s most valuable player and team captain. Brent Bandley was named most improved.

Front: Andy Coffman, Jimmy Beasom; Back: Kevin Greer, Robert Taylor, David Brandon, Dwayne Hope, Marcus Raiford, Edward Dorham, Kenny Clark, Brent Bandley, Jon Drummer, Lemuel Neal, Coach Cook.

## J.V.'s Stay "in the Game" Every Game

Commenting on a season record of 7-13 and a sixth place finish, Coach Fred Eden said: "I feel that the J.V. team played very well this year. We were in every game. We never lost by more than five or six points." The team's top players were Marion Clark, Darnell Edwards, Trent Fuggins, Leroy Howard, Scott Elwell, and Tom Ford.

Front: Mike Caarvat, Leroy Howard, Darnell Edwards, Keith Berkley; Back: Sebastian Goodlaw, Eric Fisher, Marvin Kercherval, Trent Fuggins, Tom Ford, Eric Vaughn, Frank Simon, Julius Wright, Coach Eden.

## Sophs Win More, Take Third Place

The 9-6 record posted by this year's sophomore basketball team represented the most wins by Panther sophs in seven years. Led by 6'5" team captain John Simpson, the team defeated Lakewood, Wilson, and Poly two games each and took third place in the league. Simpson was Most Valuable Player, scoring a high of 36 points against Poly. Walter Moore and Ernest Howard were other outstanding players. Eric James, captain of the soph reserves, led his team to a fourth place finish.

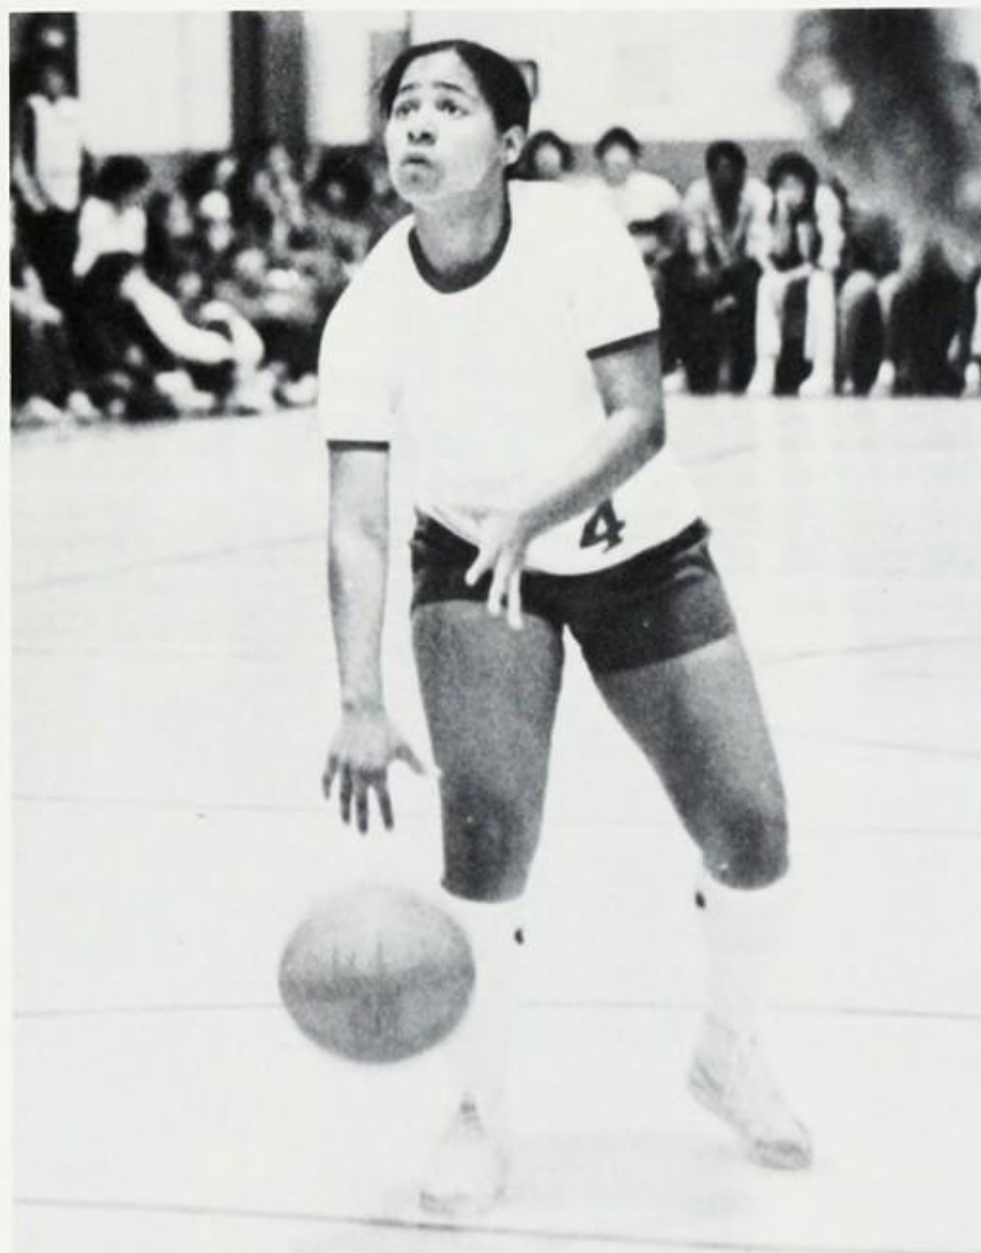

## Girls Make CIF Playoffs

Just as predicted by Coach Lori Lindahl before the season opened, the girls varsity basketball team made its way to the CIF playoffs this year. "I am most proud of their effort and team spirit," said Ms. Lindahl of the team. "They were a credit to Jordan High." Action shots seen here are from the playoff game against St. Joseph's who defeated the Jordan team.

Front: Kim Andrews, Sharon Neal, Donna Salvage, Annette LeBlanc. Back: Coach Lindahl, Joann Baeten, Denise Williams, Lisa Brandon, Regina Williams, Sally Shrum, Renae Tyner, Deann Williams, Ramona Williams, Teresa Daniels.

## Brandon, Williams Spark Varsity in Outstanding Year

Most valuable players Lisa Brandon and Ramona Williams were key to this year's girls' varsity basketball season. Both were named to the All-League first team as Jordan finished third and secured a berth in the CIF Playoffs. Receiving All-League Honorable Mention were Denise Williams and Regina Williams. Denise was also named "most inspirational," while Regina was selected as most promising sophomore. Joann Baeten and Annette LeBlanc shared Coach's Award honors, and Deann Williams was named best defender.

## J.V. Racks Up Winning Season

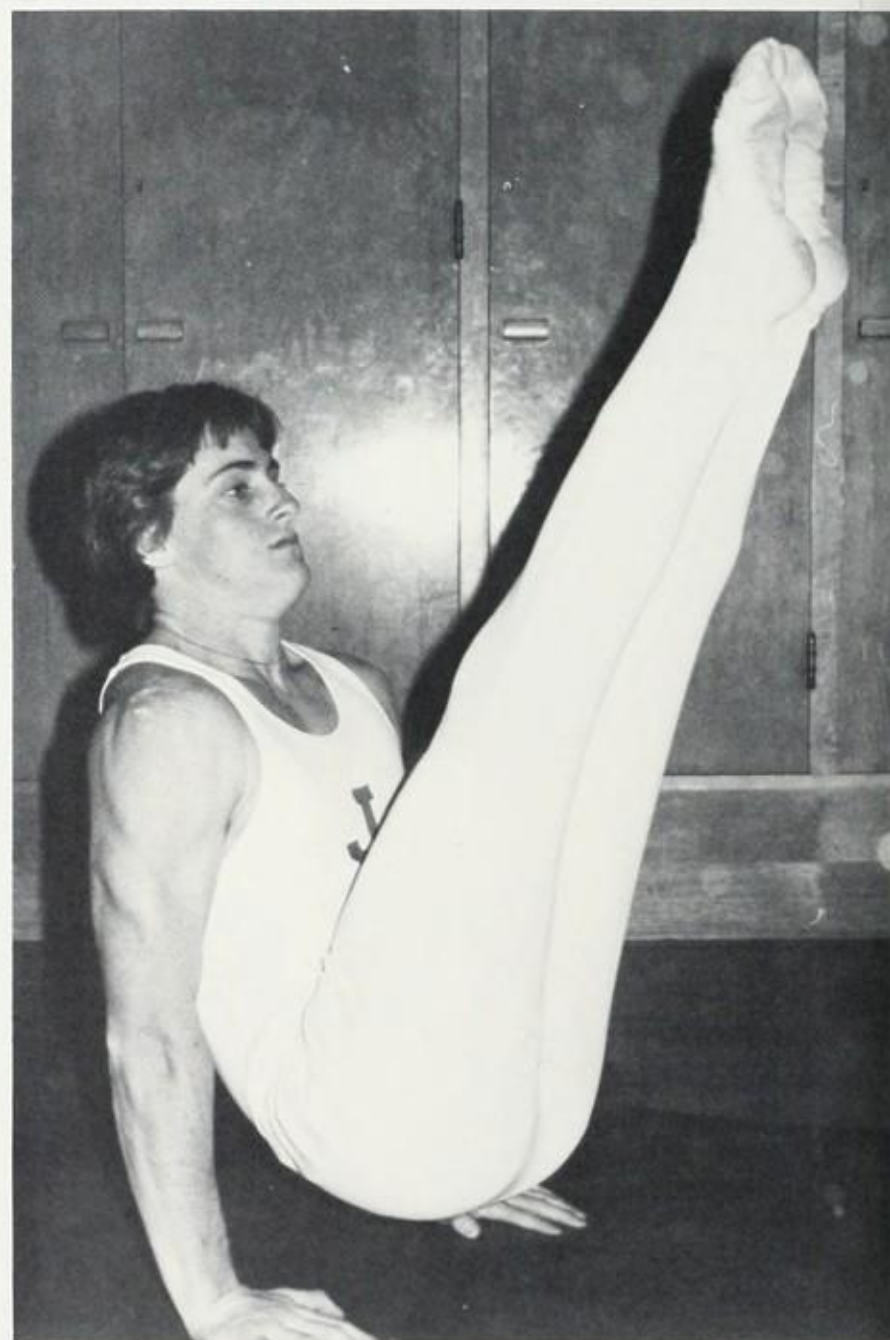

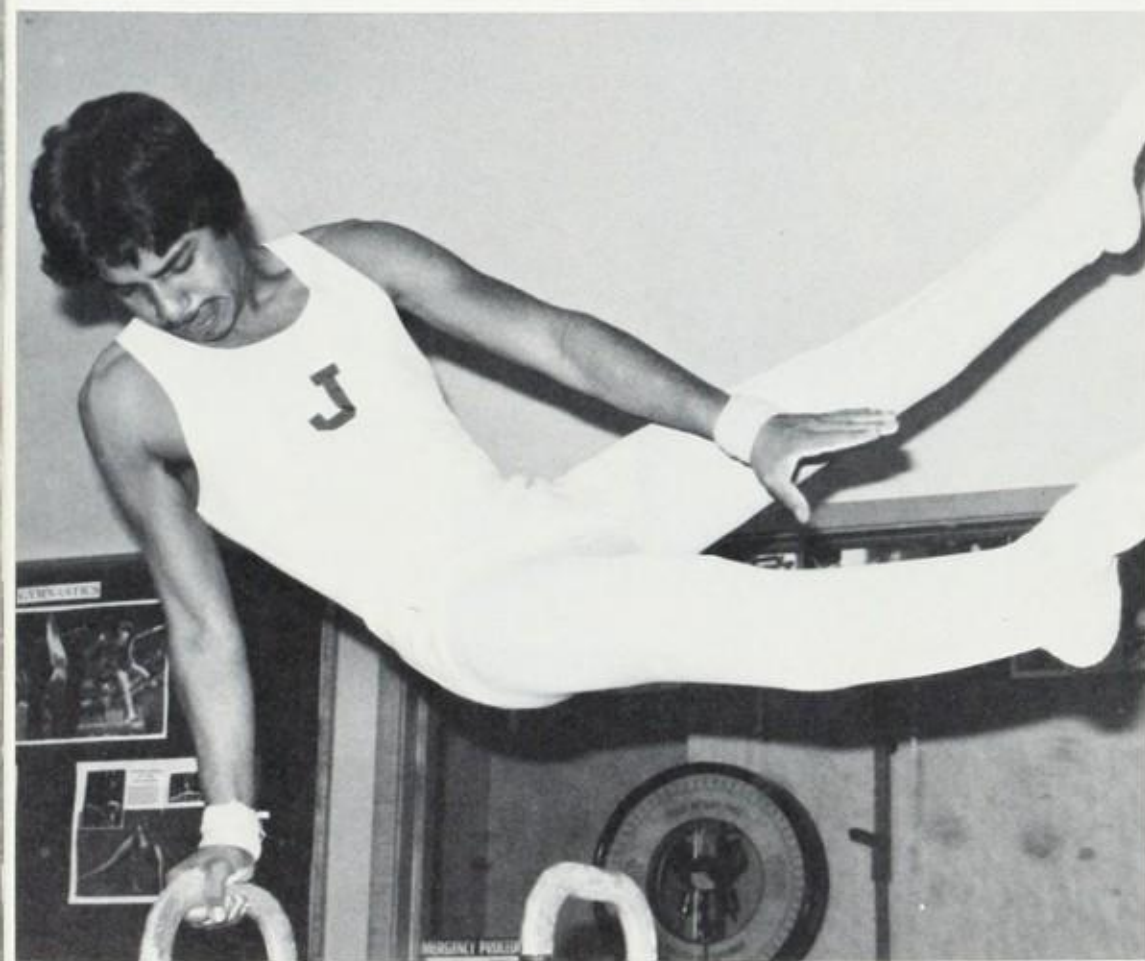

The 1981 Junior Varsity basketball team was also very successful this year. The team had the honor of being Moore League Co-Champs. They had a lot of talent in 5'11" sophomore Bridgette Ligon and in Sherry Jones. Trenain Richardson, who was voted Most Valuable Player, was another outstanding team member. Seen at left are Front: Sherry Jones, Arzell Anderson, Bridgette Ligon, Charlene Brunner, and Shelly Mink; Back: Trenain Richardson, Kathy Clay, Samantha Roberson, Michelle Truby.

## Gymnasts Show Form, Style

Looking toward a successful season, the boys' gymnastics team included Todd Wooton and Bernard Marshall, high scorers in floor exercises. Sophomore George Paine was top all-around performer, while Hector Cazares excelled on the pommel horse. Team members seen at right are Front: Hilton Bullard, Joe LeDoux, Tony Carter, Eric Nichols, Luis Sanchez; Row 2: Mario Guerra, Javier Murrillo, Hector Cazares, George Paine, Ron Duenas, Bernard Marshall, Mike Putnam.

## Fine Athletes Form Girls' Gymnastics Team

Coach Len Stewart characterized this year's girls' gymnastics team as "a fine group of student athletes" and said, "Working with them is a real pleasure." He named Becky Brothers, Sana Awad, and Julie Jones as top members of the squad. Seen above are Front: Dawn Starr, Becky Brothers; Row 2: Gianna Guerrero, Sana Awad, Julie Jones, Brenda Willis, Mary Shrum; Row 3: Phyllis Ryan, Jeanette Gulley, Hye Chung, Veronica Barnes, Teresa McConnell.

## Tennis Teams Get in the Swing

Top players on this year's varsity tennis team included seniors Martin Barajas and Son Le and junior Ed Cayetano. Coach Ralph Meinhardt remarked that the team needed more players and said, "We will find it difficult to stay out of last place, *but* we believe we look good, we feel good, and we are the greatest!" Junior varsity coach Tom Clanton singled out Robert Francis as his top team member and also noted the need for more players. Asked to predict how the team would end the season, the coach responded, "Alive." "But," he said, "we will try to have fun and improve our tennis ability as the season progresses."

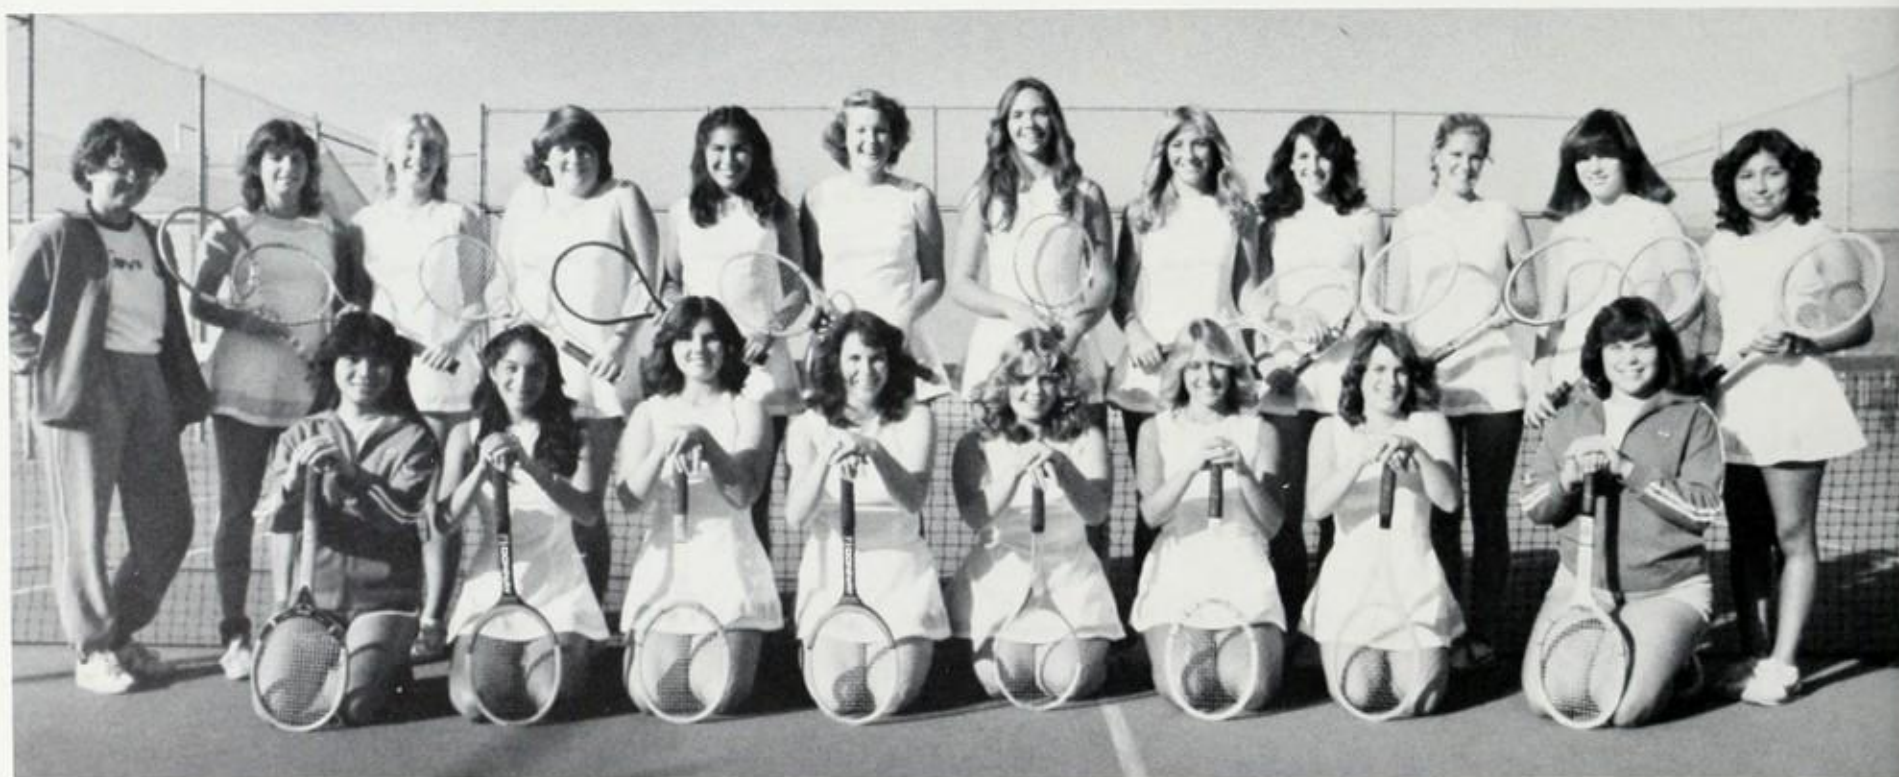

Front Row: Susan Jeunnette, Jan McKenzie, Terri Siver, Kim Westby; Row 2: Coach Sprague, Gretchen Hunnel, Tammy Schatz, Carol Lumsden, Susan Wanamaker, Cheri Outlaw, Manager Maureen Rosson.

## Varsity Women Show Tennis Talent

Despite a 4-11 season record, the varsity women's tennis team showed talent and spirit, according to Coach Harriet Sprague. Outstanding varsity player Terri Siver won the first round of singles play in the All-City Moore League competition, playing three tie-breaker sets for a total of two-and-a-half hours. Top Jordan doubles players were Gretchen Hunnel and Tammy Schatz, but Carol Lumsden and Susan Wanamaker were able to move to All-City Moore League doubles and win the first round as well. Jan McKenzie was the outstanding sophomore varsity player.

Front Row: Minuet Bui, Diana Silva, Yvonne Kirk, Anita Porter, Judy Bergeron, Angel July, Denise Wilherlm, Dina Taylor; Row 2: Manager Wendy Tripple, Cheryl Lewis, Cami Bancroft, Mary Gallas, Nancy Valencia, Janice Lumsden, Tammy Murdoch, Kathy Burch, Lynn McPherson, Tammy Turner, Ana Gallindo.

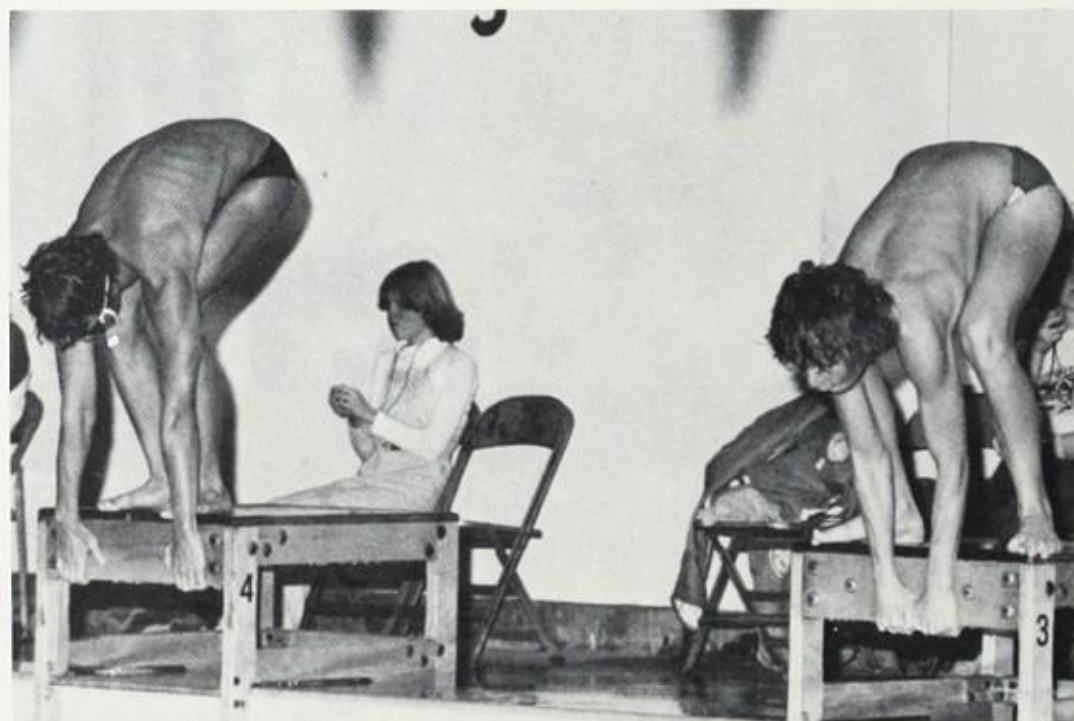

Varsity Front: Walter Ozawa, Cory Metzger, Long Troung, Ron Woodson, Lon Dimmit; Back: Coach Kanarek, David Long, Anthony Scotty, David DeVoe, John Jasciewicz.

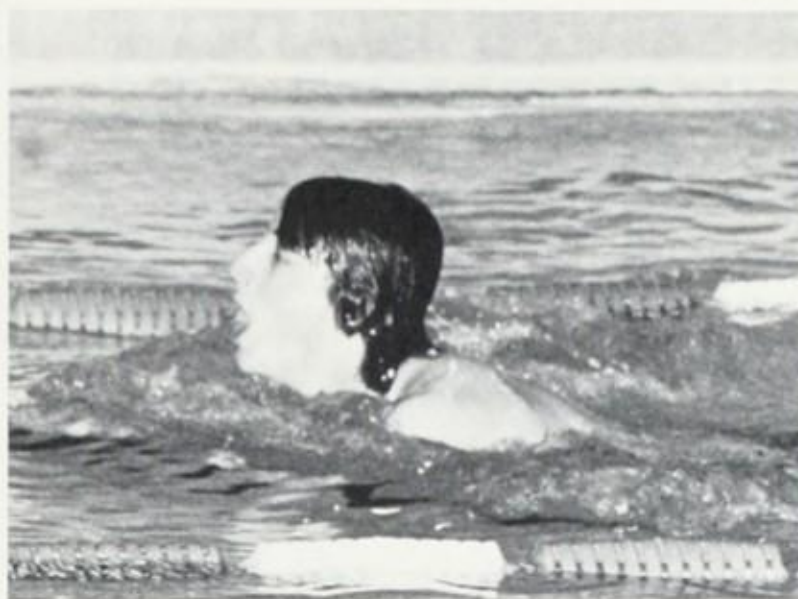

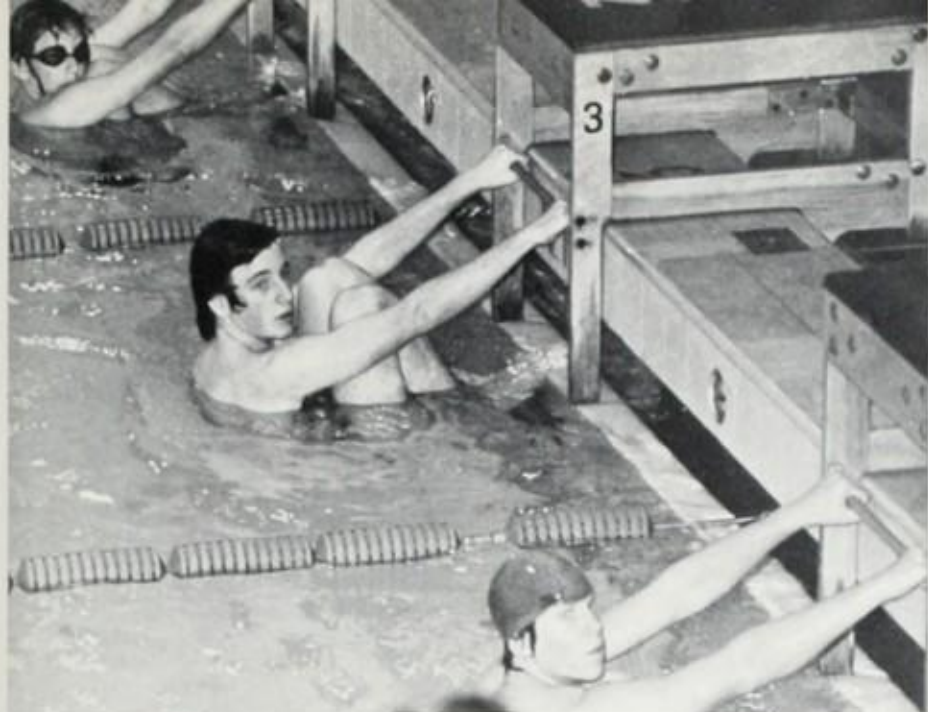

## Scotty, Anderson Are Senior Swim Leaders

This year's varsity boys' swim team was led by seniors Anthony Scotty and Danny Anderson, together with juniors Walter Ozawa and Cory Metzger. The squad's "iron man" workouts helped the team improve rapidly. "The team includes only three seniors, so we should have a good head start next year," said Coach Kanarek. The coach added that if the sophomores currently out for swimming stick with the sport for two more years, they will be a strong team. "They're hard workers and are improving rapidly." James Starbucks was outstanding sophomore.

*Junior Varsity Front: Eric Johnson, Randy Wooten, James Malone, James Starbuck, Don Kennedy; Back: Coach Filinuk, Rick Wolfe, Tom Hulshof, Ken Hayes, Joe Warner, David Lochyer*

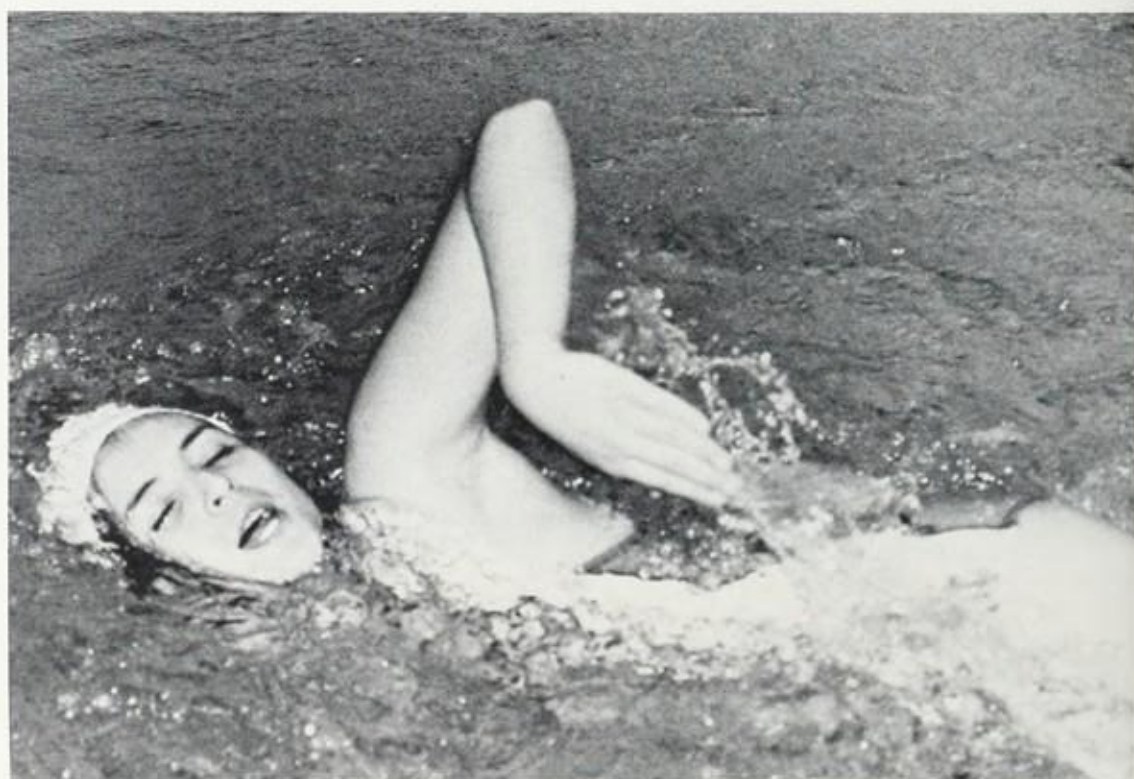

Varsity Front: Maureen Mackin, Karen Cather, Kristin Eno, Desiree Anderson, April Yoho; Row 2: Bernice Banares, Tamara Thomas, Cheryle Palacios, April Anderson, Denise Carpenter, Susan Jeunette; Back: Cheri Outlaw.

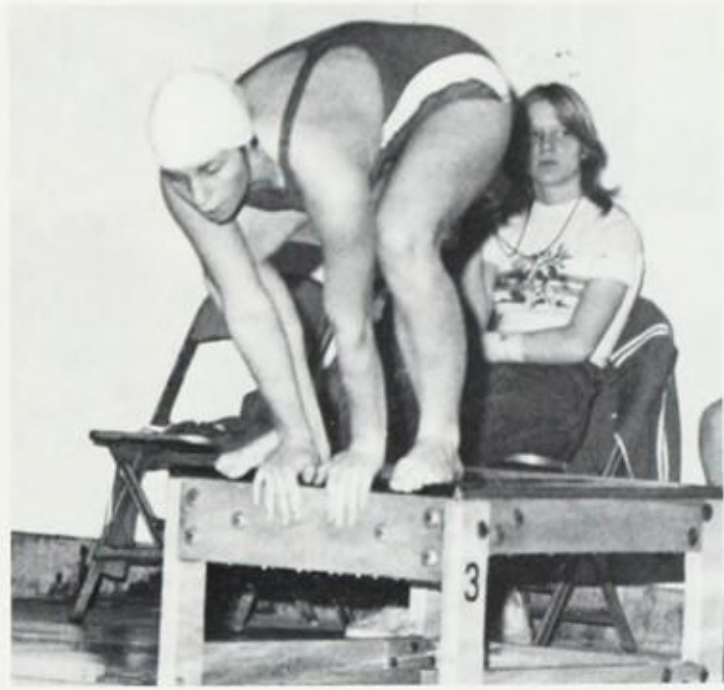

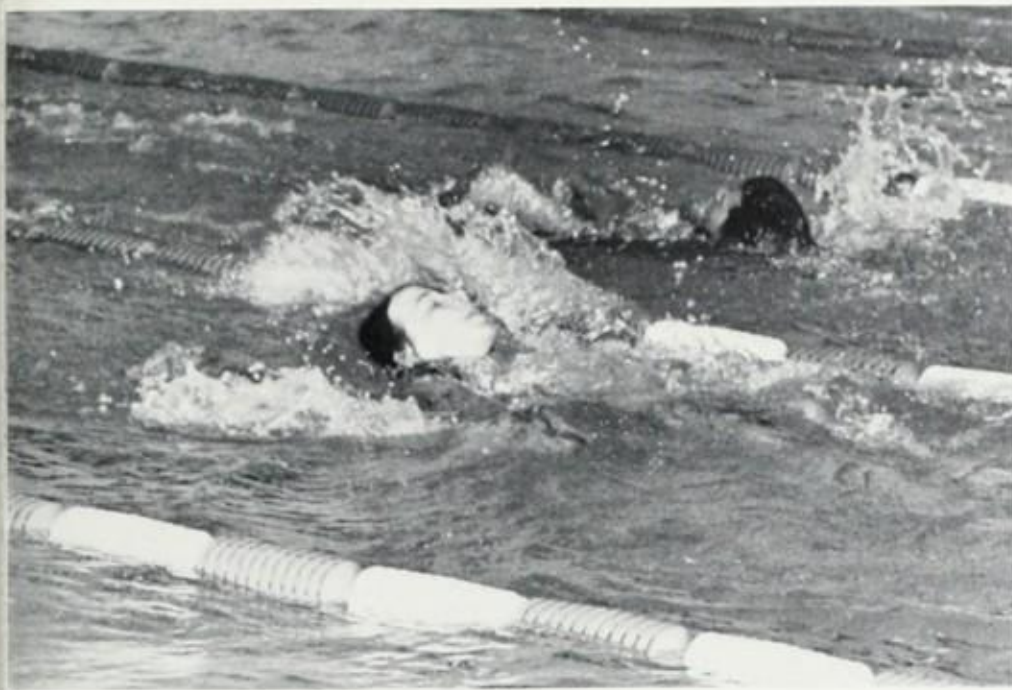

## Girls' Swim Opens Season With Series of Victories

Both the varsity and j.v. girls' swim teams got off to a good start in '81. Led by April Anderson, the varsity bested Laguna Beach, Hawthorne, Loara, and Artesia. April's specialties were the butterfly and freestyle. Other outstanding varsity swimmers were Cheryl Palacios, individual medley and freestyle, and Susan Jeunette, breaststroke and any other stroke needed. Tamara Thomas was strong in the freestyle despite a bad knee. The j.v.'s top team member was Debbie Cline, who swam freestyle, breaststroke, and back stroke. Other strong swimmers were Maria Watson, Kathy Bjerke, and Norma Whaley. The squad defeated Kennedy, Katella, Loara, and Artesia in their season-opening competitions.

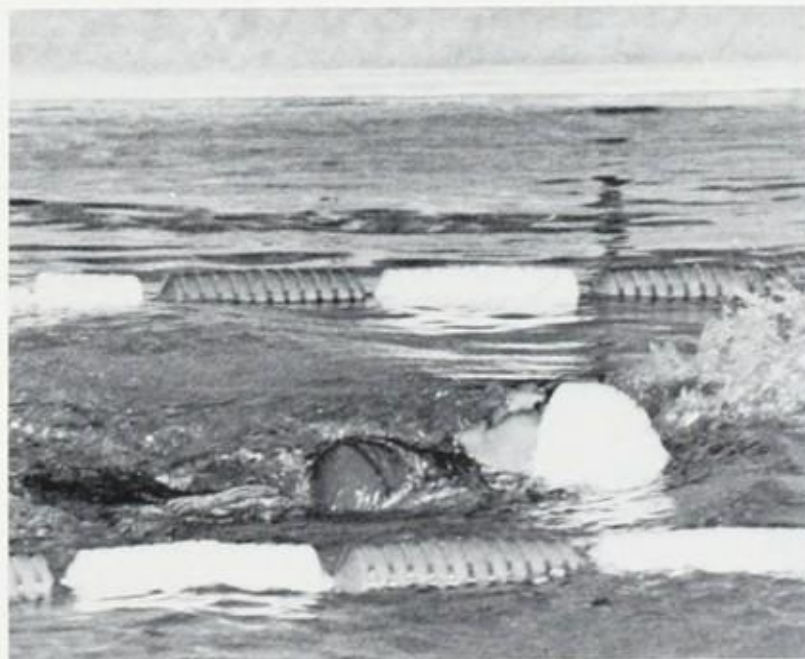

Dear Mrs Fielding  
 It's been really great  
 having you as my teacher  
 this year. I know that  
 I was kind of slow during  
 the stitchery projects. AND I  
 appreciate you pushing me  
 to pass the class. Because  
 without the pushing I  
 probably would not have  
 made it. Have a great  
 summer AND thanks again

Chloe

## Badminton Teams Show Potential

Continuing to rebuild after a first place in 1979 and the subsequent loss of twelve of fourteen team members through graduation, Jordan's badminton teams started their season showing determination and "lots of potential," according to their coaches, who are expecting that added experience will bring the group back to first-place status by next year. Top players included Deann Williams, Dorothy Woodall, Linda Heinicke, Jan McKenzie, and Cindy Quitoriano.

Junior Varsity Front: Cassandra Rowley, Anna Gonzales, Christina Nuanez, Laurie Nuez, Tanya Myers, Tammy Murdock, Cathy McKinnon, Diane Silva; Row 2: Chris Collins, Eloise Branganca, Ana Galina, Donna Calloway, Tatia Thomas, Grace Park, Maria Martin.

## Track Teams Work Hard To Gain Strength, Progress

The varsity and junior varsity track teams put in much time and effort in attempting to build their strength and ability. Varsity was led by outstanding team members Chuck Franks, Scott Elwell, Leroy Howard, Leo Hernandez, Hakim Tarig, and Tom Ford. Commented Coach Hartzell Alpizar, "We have a young team made up of mostly juniors. We should get stronger as the year progresses and be quite strong next year." Eric Williams and Tom Gallant were j.v. stand-outs. One of the highlights of their season was the team's victory over Manual Arts.

Junior Varsity Front: Craig Harbick, Miguel Gil; Row 2: Oscar Blabagno, Ozzie Gonzales, Tom Gallant, Eric Williams.

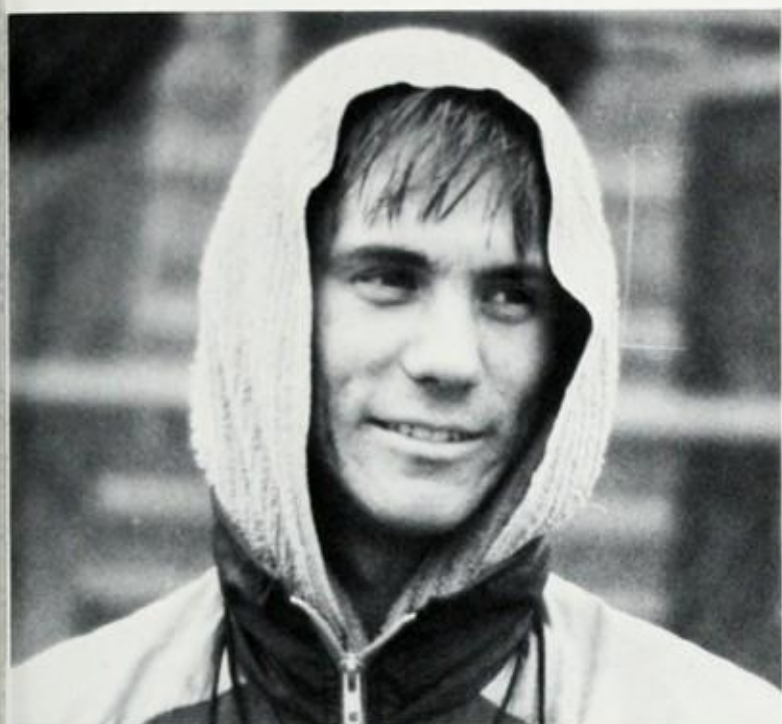

## Sophs Devote Hours to Track Skills

Many hours go into building a strong and healthy track team. This year's sophomores devoted after-school hours to developing their skills in this exhausting sport. Outstanding trackmen included Andy Coffman, Lemuel Neal, Anthony Thompson, Mark Rogers, Andre Frazier, Reggie Bernard, Ed Vilas, and Mario Martinez. Coach Alpizar felt that the team showed consistent improvement and predicted a first-or second-place season finish. Team members pictured above are Front: Mario Martinez, Reggie Bernard, Harold Andoetoe, Mark Rogers, Hector Walker, Ivan Brow, Ernest Howard; Row 2: Ed Vilas, Dale Yegge, Lemuel Neal, John Simpson, Anthony Thompson, Andre Frazier, Andy Coffman, Coach Welsch.

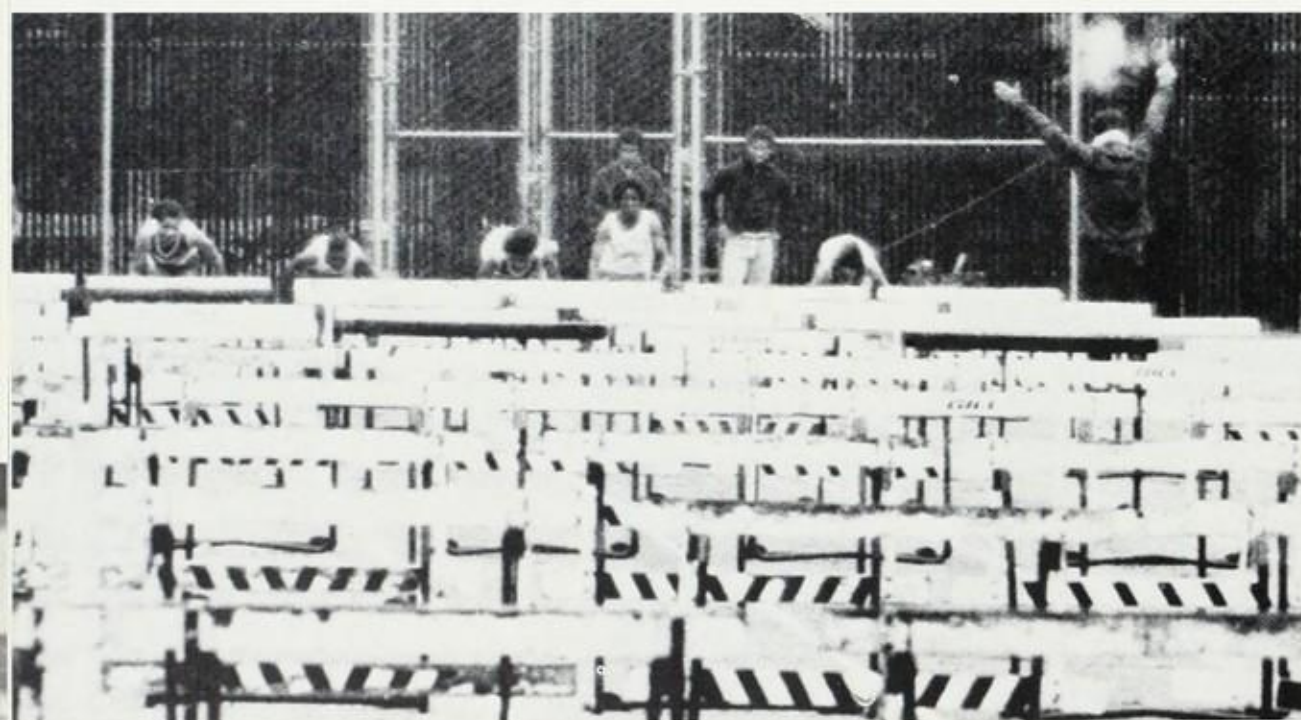

# Girls Show Strength in Shorter Distances

The girls' track team put out a tremendous amount of effort this year, according to their coach. Mr. Eden picked four team members as outstanding: Felicia Thompson who ran the hurdles, and the 100-yard dash; Julie Frew, who ran the 880, the mile, and the two-mile; Jackie Tyner, who ran the 100-yard dash and the 440-yard relay; and Lisa Winston, who ran the 100-yard dash, the 220- and 440-yard relay. The girls were strong in sprints, but lacked interest in the distance events.

Front: Julie Frew, Belinda Thomas, Felicia Thompson, Joyce Hillard, Traci Tidmore, Lucinda Kennedy;  
Row 2: Coach Eden, Shannon Guinn, Jackie Tyner, Lisa Winston, Tammy Schatz, Gretchen Hunnel,  
Clara Gaskill, Susana Dominguez.

## Horsehidors Count on Versatile Players

With many players able to play three or more positions, the operative word for this year's varsity Horsehidors was "versatile." As the season began, Coach Dick Greene was "very pleased" even though the team had lost some close games. He noted that the varsity was playing a tough schedule and anticipated improvement on last year's third place finish.

# J.V. Team Sets Out to Improve

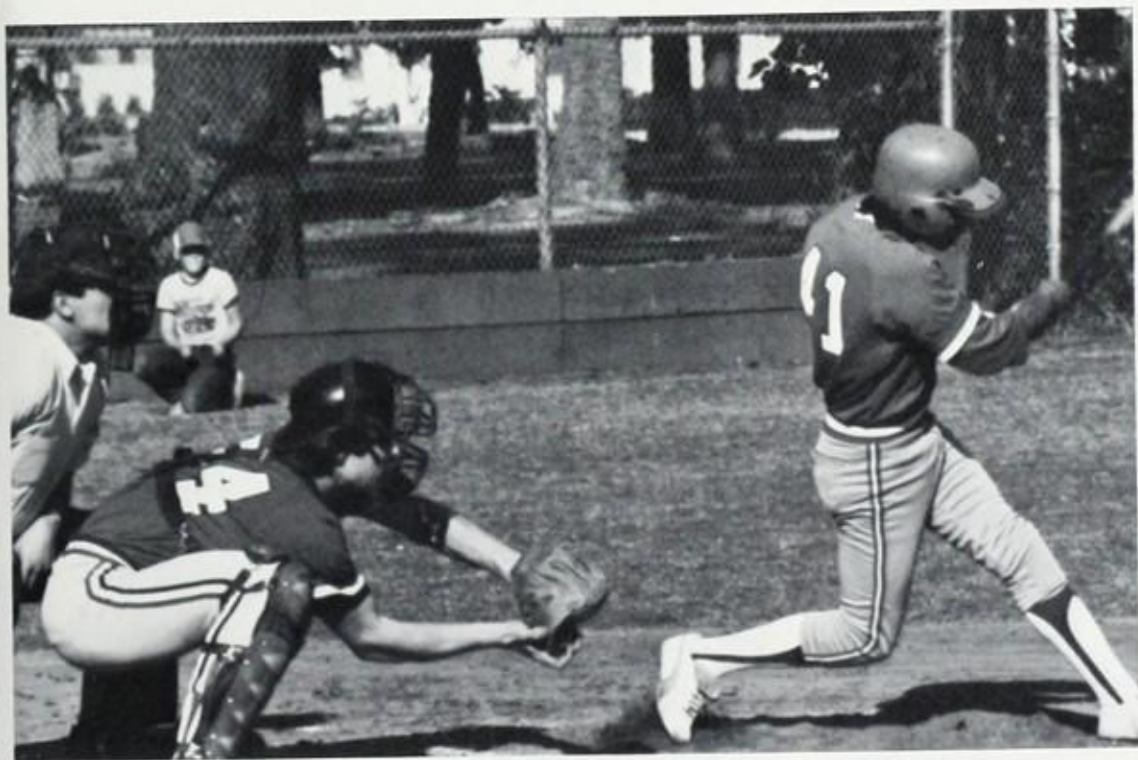

"Hoping to improve over last year" was Coach Greene's outlook for the junior varsity baseball team. Together with returning letterman Keith Berkley, Darren Downing and Paul Olin formed the pitching staff. Sophomores on the team were Mike Aguirre, Manuel Calderon, Tony Concepcion, Allen Davis, and Danny Garcia.

Front: Manuel Calderon, Tony Concepcion, Robbie Franz, Mike Aguirre, John Harper, Mike Heard; Row 2: Allen Davis, Steve Skokes, Frank Ahumada, Mark Gershen, Darren Downing, Jeff Hurley; Row 3: David Thomas, Bob Love, Danny O'Connor, Paul Olin, Al Figueroa, Danny Gracia.

Varsity Front: Becky McFall, Shelly Mink, Julie McNeley, Nancy Valencia, Sherry Moore, JoAnn Baten; Row 2: Donna Salvage (Mgr), Gina Williams, Mia Hines, Tammy Patton, Devon Flint, Princetta Gubany, Alaska Clark.

## Softball Teams Open '81 Season

As the softball teams got underway, it was clear that a lot of practice would be needed to make a winning team. Top varsity players were Princetta Gubany and Becky McFall. Coach Joan White expressed hopes for a repeat of last year's second-place finish but said, "It all depends on our pitching!"

*Junior Varsity Front: Veronica Rivira, Julie Myers, Carla Ellingsworth, Denise Denny, Diane Moore, Carole Bumblis, Cheryl Coleman; Row 2: Dawn Carpenter, Michelle Peck, Cindy Asbee, Vangie Estrada, Gus Jones, Tracy Gardner, Annette LeBlanc.*

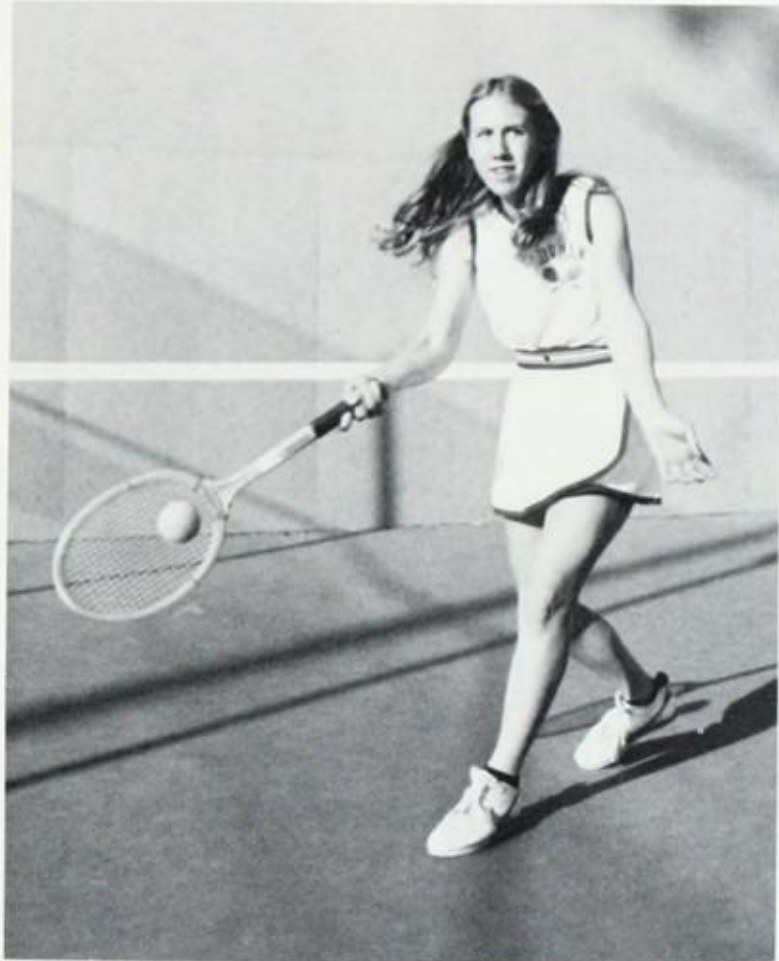

Some of the most expressive faces of all were those of Jordan's athletes and their coaches this year as they did their best to represent themselves and their school to the highest level of their respective abilities.

## We Express Ourselves as the . . .

Being a junior is being in between — above the sophomores but behind the seniors. As school closes, most juniors would agree that it's fun to look back on the ups and downs of this middle year in high school but even more fun to look forward to being a part of the graduating class.

## We Express Ourselves in . . .

Education remains the central reason for our presence at Jordan. Graduating with the best possible background for the world we will enter is the overriding goal. In doing so we follow in the footsteps of over 35,000 graduates before us. In required courses and electives alike we have the chance to prepare ourselves for our futures and develop our abilities to express ourselves effectively, whether through physical or mental efforts.

# Academics

## Councils Lead School Activities

Under ASB President Steve Fineman, the fall student council led Jordan students in an active semester. Business meetings ranged from discussions of school problems to planning of assemblies and elections and approving club charters and activities. The council continued such fall campus traditions as Homecoming booths, United Way and canned food drives, and the second annual "Wacky Winter Olympics."

# ROC/P Continues Steady Growth

The Regional Occupations Center/Program sponsored by the District provides vocational training needed to help students get ready for part-time or full-time jobs. The program originally started out with 35 students; this year approximately 1200 enrolled. The ROC/P classes met daily for two or three periods, and students received ten to fifteen units of credit for completing the courses. Some of those were air transportation occupations, auto body repair, brick masonry, heavy metals, offset printing, and small engine repair.

Joe Burtch controls the sound equipment.

## Stage Crew Assists At Jordan Productions

The success of all Jordan's productions relied upon the group of students in stage crew. Enthusiastic and hard-working, they were responsible for sets, lighting, sound, and props for all rallies, sports activities, assemblies, modern dance performances, and graduation activities. Some of the students worked outside shows, such as the Long Beach Civic Light Opera, where they gained valuable stage experiences and learned new techniques. Advisor Mr. Greeley singled out Gerald Armstrong for recognition as "an integral and indispensable part of the crew for the last three years."

## Cat's Purr Staff Produces Frequent, High-Quality Issues

The Cat's Purr staff produced another fine series of the school newspaper for '80-'81. Along with meeting deadlines, getting interviews, and writing stories, the Cat's Purr personnel had time to make a homecoming booth that came in third place, and they still produced more issues of the paper than any other school in the District. The National Scholastic Press Association analyzed the Cat's Purr as a first-rate newspaper. Editor-in-Chief was Steve Fineman, and working with him were News Editor Laura Creighton, Editorial Editor Jane Arboleda, Steve Linko the Feature Editor, Robert Welch, the Sports Editor, and Assistant Editors Sylvia Contreras, Lonie Hegedus, Anita Porter and Kathy Slattery.

Yeah? So then what happened?

# Staff Chooses "Expressions" as '81 Theme

Perhaps the most significant task of each yearbook staff is to choose a theme for the annual to suit the particular events of a particular year. The 1980-81 *Trailblazer* class chose "Expressions of a Year" in hopes that we might capture the faces and moments of a special time in the lives of Jordan High students. As always, it seems, the staff had to duel with deadlines, weather the weather, reschedule the schedule, and cope with similar realities in order to focus in on the expressions of our year. Whether or not we have succeeded can only be measured by the answers to questions twenty years from now such as, "Who was that guy/girl, and why did s/he look that way?"

Left to Right: Walter Shepherd, Theresa Walston, Desiree Anderson, David Wagstaff, DeDe Crane, Chris Reid, Kim Insley, Rich Souddress, Felicia Thompson, Bruce Ray, Phyllis Robinson, Paula Desmond, Betty Blabagno, Brent Bandle, Pam Winters, Martin Barajas, Renae Tyner, Jon Drummer, Mrs. Judith Powell.

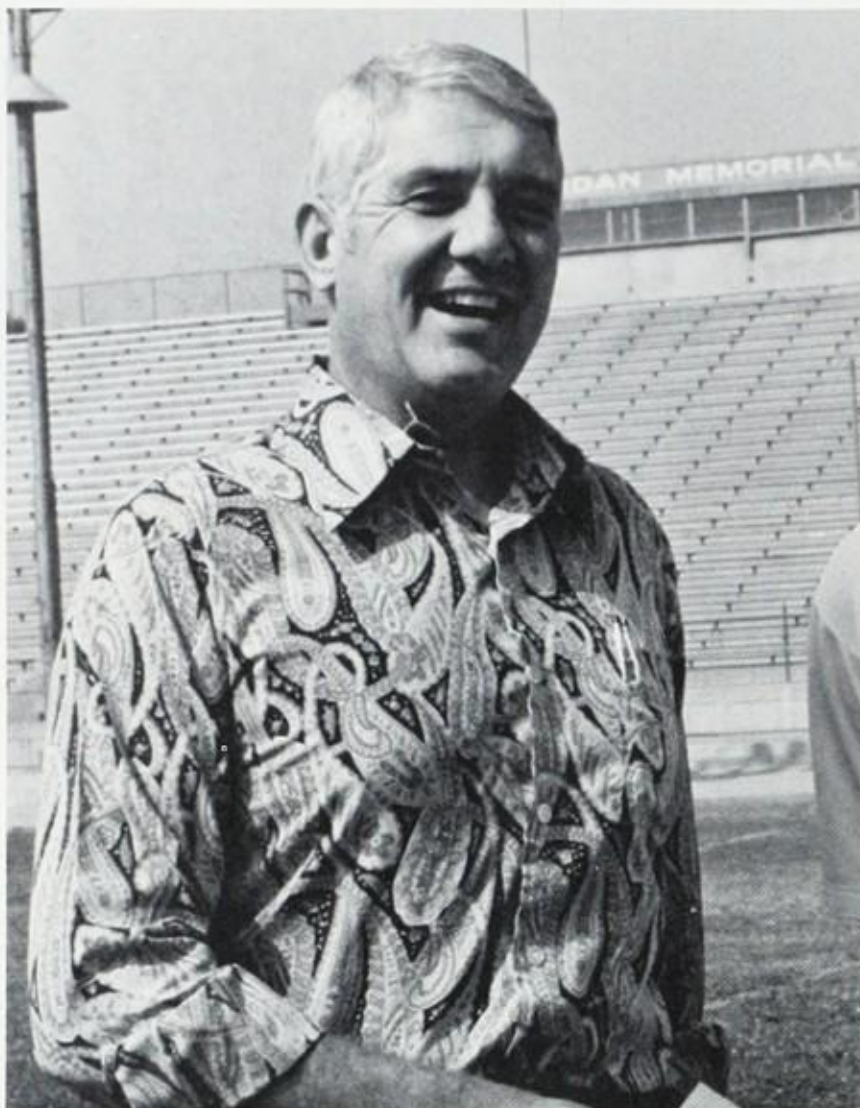

Staff members shown here according to position are: Campus Life Editors Felicia Thompson, Renae Tyner; Classes Editors and Assistants Betty Blabagno, Dede Crane, Paula Desmond, Martin Barajas, Chris Reid; Clubs Editor David Wagstaff and Assistant Rich Souddress; Advisor Judith Powell and Editor-in-Chief Phyllis Robinson; Photographers Martin Barajas, Chris Reid; Copywriters Theresa Walston, Desiree Anderson; Sports Editors and Assistants Jon Drummer, Kim Insley, Dede Crane, Bruce Ray; Academics Editor Brent Bandle and Assistant Walter Shepherd. Not seen are Classes Assistant Editors David Blair and Rolf Crocker and Art Editor Pam Winters.

## Principal Also Shows Expressions of '80-81

For most students, high school is a mixture of fun and frustration, work and worry, elation and ennui. The years are so long and yet so short that in future memories the entire experience is something of a blur. This year's *Trailblazer* theme, "Expressions of a Year," will help us preserve some of our most treasured memories of friends and events. Today, and in the years to come, the chronicle of this year's scenes and activities will unfold again for us to savor. Dig in and enjoy the 1980-81 year at Jordan. Good reading.

Joseph L. McCleary  
Principal

Just as it did with Jordan's students, the camera caught Principal McCleary as his face expressed his happiness, concern, concentration, and other emotions of the year.

## Dixon Joins Staff

Mr. Bob Dixon returned to Jordan from Lakewood this year to fill the vacant position of Vice-Principal created when Mr. Mike Bowles moved to the principalship at Hamilton Junior High. Working with the principal, conferring with parents, supervising campus events, and collaborating with other administrators to keep the school running smoothly are enough to keep Mr. Dixon busy.

Assistant Principal Elizabeth Cline

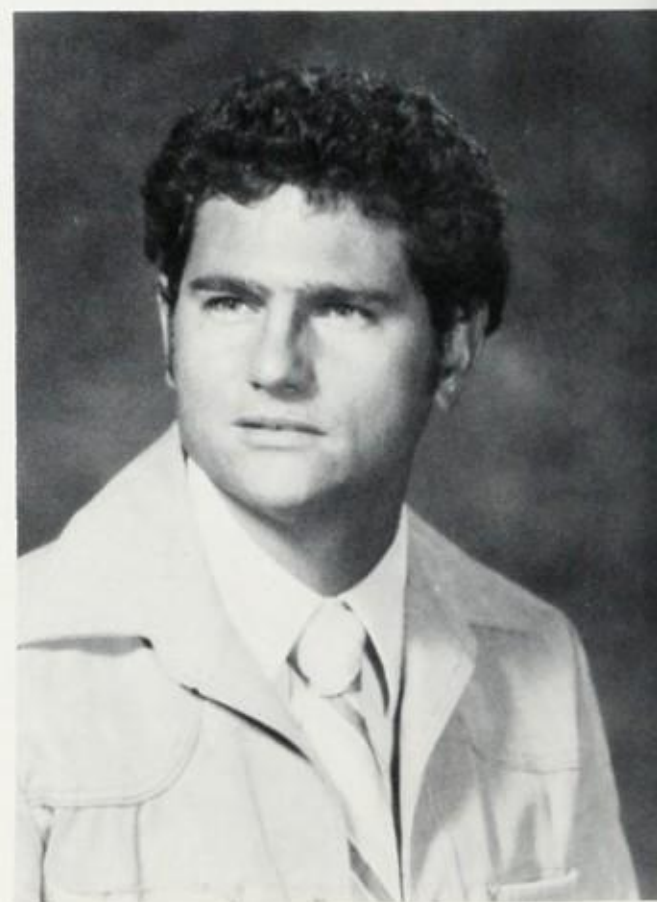

Assistant Principal Charles H. Fraser

## Assistant Principals Assume Instructional Supervision Role

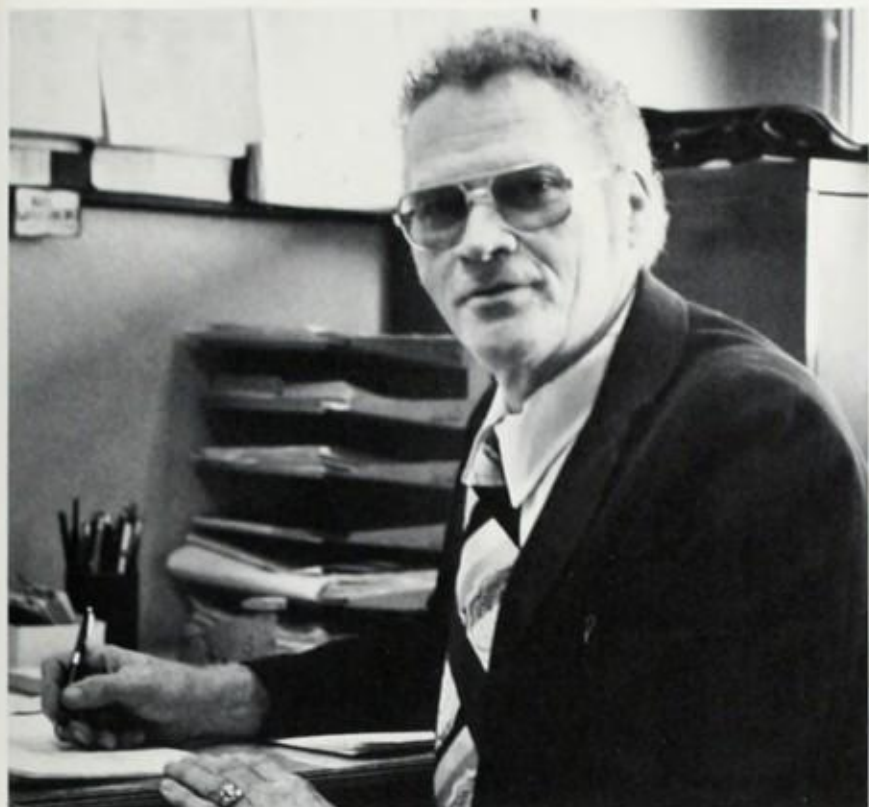

Among their duties, Jordan's vice-principals play a role in supervising the instruction of students. This year Mrs. Cline covered the areas of social studies, special education, and women's physical education as well as supervising health services, Back-to-School Night, and cafeteria operations. She was also in charge of the junior class. Mr. Fraser oversaw the departments of art, industrial education, music, and the military services and also handled lunch permits and graduation arrangements. He was responsible for the senior class. Mrs. Palmer had responsibility for the sophomore class and supervised the departments of driver's training, foreign languages, general studies, and home economics. She also worked with attendance and lockers. As activities director, Mr. Keck continued to oversee the planning and execution of all Jordan student events.

## Blackmon Joins Counselors

The counseling staff welcomed Mrs. Nellie Blackmon to its staff this year. She came to Jordan from Jefferson Junior High.

As a group, the counselors are responsible for educational planning, vocational counseling, testing, placement in classes, personal counseling, and assistance with financial aid and scholarships. Like all other segments of the staff, the counselors have as their goal making each year the best possible one for each student.

# Student Services Personnel Are Unique People

So often student services personnel provide assistance so quietly and effectively that they might be overlooked — except for the fact that each is a special personality recognized by everyone at Jordan for his or her unique approach to campus life. Whatever they do, their presence is felt.

## English Offers Basics, Electives

Beginning with the class of '83 all students are required to take a course in English during each year of high school. To meet these needs the English Department offers both fundamental courses for tenth graders and a variety of electives, including American Literature, Exploring Literature, Creative Writing, Drama, Film Analysis, Advanced Placement, and Grammar and Composition. New to Jordan this year was Mrs. Mary Cameron.

## AP History Dropped; Other Courses Kept

Besides the course in love and marriage, the social studies department continued to offer American economy and current affairs in addition to the required courses in American political behavior, U.S. history, and psychology or sociology. A major change in the curriculum was the dropping of the Advanced placement U.S. history class this year. Not seen here are Miss Finn and Mr. Welch, each of whom worked in the department one semester.

# Business Ed Provides Skills for Success

Business education classes not only prepare students for college but also offer the necessary skills to enable graduates to gain entry-level employment.

Classes offered include accounting, business law, business mathematics, clerical lab, office practice, intermediate typing, medical typing, record keeping, and shorthand.

Not pictured here is Mary Ann Mitchell, who came to Jordan from Lindbergh Junior High at the beginning of second semester.

## P.E. Classes Offer Variety

All students are required to take general physical education unless they are involved in team sports, pep squads, or ROTC. P.E. offered swimming, badminton, tennis, volleyball, weight training, basketball, and softball. Students often found the physical exercise a welcome break from the mental gymnastics of such classes as math, chemistry, or biology.

# Math Adds Computer Programming Course; Two New Teachers Join Science Staff

A successful computer programming class was added in the math department this year. Continuing offerings included algebra, geometry, intermediate algebra, trigonometry, and pre-calculus. A program titled "The Learning Step" with Math Specialist Amy Dominetta was also available to students who needed more work on basic skills.

Two new teachers, Don Moore and Jonna Robinson, joined the science department. Classes offered included life science, biology, earth science, physiology, physics, chemistry, and photographics.

## Special Ed Has Programs for Special Needs

In 1980-81 the special education department welcomed Mrs. Dortch to their numbers. She worked with orthopedically handicapped students. In addition, special ed groups included courses in reading, math, and English. The program sought especially to assist students who were behind in their test requirements for their grade levels. Students received special instruction in areas where they needed the most help. Also new to the department was Mr. Peter. Not pictured is Ms. Janice Macon, learning disabilities teacher.

## Art, Music Offer Chances for Self-Expression

"Expressions" is this year's year-book theme, and classes in art and music have traditionally offered students the opportunity to express their individual personalities within the disciplines of their work. In both areas, students accepted the chance to show off their talents, whether in art displays or in musical performances.

## Industrial Ed Offers Work Experiences

## Home Ec Classes Face Practicalities

Home Economics students had many practical experiences this year. Mrs. Fieldings' foods classes served a Christmas tea to over 100 guests and prepared dinner for more than forty Lions Club members in the spring. Also served by these classes were the Moore League coaches. Mrs. Brooks helped her students prepare for a mock wedding. A bride and groom were chosen from her effective living class along with bridesmaids and a best man. The group made preparations and plans as though the wedding were actually to take place. The mock ceremony was held in January.

## Second Language Can Prove Valuable

According to Foreign Language Department Chair Hartzell Alpizar, there's more to learning another language than just expecting to travel. "Many employers realize the importance of speaking two languages, and it is often the deciding factor between two people equally qualified people applying for the same job," he said. This year Jordan offered Spanish 1-5, French 1-5, and advanced German. New to the department was Claudine Mendelovitz.

# We Express Ourselves as the . . .

Being a sophomore has always been a unique experience. It's a combination of excitement about finally being in high school and frustration at being put down by all the juniors and seniors. To be a sophomore is to enter a whole new world. The Class of '83, like hundreds of classes before it, adjusted well to this new world and found ways to express itself in the Jordan atmosphere. Participating in rallies, crossing campus with a friend, sharing a moment of affection—these and other experiences made this year's sophomores a part of life at Jordan.

## We Express Ourselves in . . .

Putting together Homecoming booths or putting on makeup for a play, making plans for activities or making new friends, performing for others or listening quietly — all or any of these are part of belonging to campus clubs. Whether engaging in service to others or just having fun, club members know that they are gaining invaluable experiences at the same time as they are building special memories.

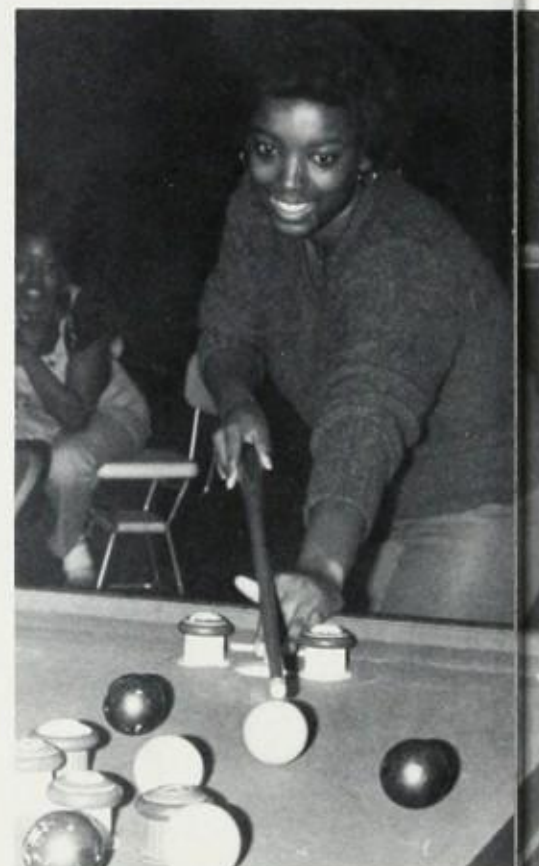

# Clubs

# Cat's Cave Provides A Place To Relax

This year the canteen provided a place to play pingpong or pool, dance, or watch television. During the year the canteen sponsored many activities, such as trips to Magic Mountain, Knott's Berry Farm, Disneyland, and the mountains. In addition they held dances honoring holidays. "It's a place to relax," says Darlene Hood. "It could be a lot better if more people would show up," according to Michael Greer. "Even though we have all these good times, we still need more participation from Jordan students," adds Eilene Easter.

Sometimes we were serious, sometimes silly, but whatever we felt, we expressed it with intensity and an ever-present awareness that this was another year of importance in our lives.

Sometimes we practiced; sometimes we played. And almost always we talked over and expressed in face and gesture our hopes for the day, the year — and the future.

A black and white photograph of a mountain landscape. In the foreground, dark, silhouetted branches of trees frame the top and right sides of the image. The background shows a vast, hazy mountain range with a valley in the distance. The lighting is soft, creating a serene and somewhat nostalgic atmosphere.

Well, it's hard to believe but after 13 years of school, we, the members of the 1981 graduating class of David Starr Jordan High School, have pulled through our final year. It was a year of many experiences — experiences that will help us to build our future. (Who knows? One of us may be a future President of the United States!)

The 1981 *Trailblazer* Staff has tried to capture all of the many expressions shown in 1980-81, so that one day you can look back and laugh at all the good times we had here together.

Lynne,  
It has been real  
fun this year being a  
work but we did a lot of hard  
of fun. Next year maybe we  
can get more active members.  
I can't wait to be in your advanced  
foods class. Hope to see you in the summer  
and maybe at the Lions Fair. Have a great &  
cool summer. See ya later. Love Diana  
P.S. I had real fun in your beginning  
foods class, even though  
Mike left me and went  
to 6<sup>th</sup> Period. Mics Smiling

LYNNE,  
You have BEEN SO GOOD TO  
me this year, I don't know how  
to thank you. You are such a  
sweet and understanding person,  
and you're very special to me.  
- I wish you all the happiness  
in the world, you deserve it.  
Have a relaxing summer.  
Love ya much,

Mrs Fielding,  
It's been fun  
trying to cook. I  
hope I will turn out  
to be as great a cook as  
you are! I hope your summer  
and your vacations turn out fine!  
Sure hope you don't have to take any  
trips by boat! 😊 Keep smiling and cooking -  
And even in your spare time - racing!  
Lots of love to you!  
Love
